16. **General:** This is the entire agreement between the parties affecting the subject matter described herein. Any amendments must be in writing and signed by both parties. If any portion of this agreement is found to be invalid, such portion shall be severed without affecting the validity of the balance of the agreement. Except for reason of financial inability, delay in performance by either party shall be excused for delay for causes beyond their reasonable control. The parties warrant that there are no restrictions contained in any other agreement to which they are a party that would prevent either party from entering into this agreement.
