TERM

This agreement commences November 1ST, 1998 for a period of five [5] years ending October 31ST, 2003 and shall continue for another five [5] years provided that the licensee exercises option as detailed in Fee Schedule attached.

1. THE LICENSOR hereby grants a license to GTN for certain areas in and on THE SITE designated for the purpose of installing, operating and maintaining cabling, connections and ancillary equipment (hereinafter referred to as the "EQUIPMENT") so as to provide telecommunication services.
2. On termination of this agreement, GTN will remove all EQUIPMENT and cabling installed pursuant to this agreement, save that in Schedule A. GTN shall make good all damage and indemnify against all losses, costs and expenses relating to the installation, operation, or removal of such EQUIPMENT. Upon mutual agreement, THE LICENSOR will have the right to assume ownership of the EQUIPMENT and cabling, or portions thereof, without payment.

After normal business hours, access to THE SITE will only be with the prior approval of THE LICENSOR, such approval not to be unreasonably withheld or delayed.
5. GTN will at all times during the term of this agreement, keep the EQUIPMENT in good repair and will comply with all relevant laws and will, at their cost, ensure that at no time does the EQUIPMENT or the operation and location of the EQUIPMENT prohibit the normal operations or renovations of THE SITE.
6. Upon request, GTN will provide THE LICENSOR with proof of such insurance.
8. GTN will pay all costs, taxes and other levies related to the installation, maintenance, operation and relocation of the EQUIPMENT.
9. Each of the parties hereto acknowledge and agree that this agreement constitutes the giving of a license and does not constitute or contain any lease of property.
10. This Agreement enures to the benefit of and is binding on the parties to the Agreement and their respective heirs, executors, administrators and permitted assigns.
11. In the event of any breach of this Agreement the party not in breach shall give the party in breach written notice both describing the breach and setting a reasonable time within which it must be cured. If a resolution is not achieved within thirty days from the receipt of the written notice, then a party may move for mandatory, binding arbitration pursuant to the Commercial Arbitration Act of BC.
12. Should at any time during the term of this agreement the Licensee feel that the terms and conditions of this agreement or the technologies of the Licensee are not economically viable, the Licensee may terminate this agreement upon 60-day notice to the Licensor. All obligations save for continued license fees will remain until the Licensee has removed the Equipment and restored the premises or transferred ownership as per the provisions of this agreement.

IN WITNESS WHEREOF the parties hereto have executed this agreement as of the day, month and year first above written.
