

**MASTER TELECOMMUNICATION AND BUILDING ACCESS LICENSE**  
**RENTAL PORTFOLIO**

This License is made as of the date last signed by both parties below (the "Effective Date").

WHEREAS Park Property Management Inc. acts as property manager and agent for the owners (each being an "Owner") of the multi-unit dwelling building(s) (each, individually, a "Building") all as further described in Schedule A hereto with respect to the matters contained herein.

In consideration of the mutual rights and obligations herein expressed, the sum of \$2.00 paid by each party to the other and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and each Owner agree as follows:

1. Owner hereby grants to Bell Canada and any Affiliates of BCE Inc. ("Affiliates" as defined in the *Canada Business Corporations Act*, as amended) including without limitation, those for whom Bell Canada is responsible in law (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to:
  - i. enter on and gain access in, over or under the Building and the common elements and other common areas of the Building, including without limitation, reasonable access to and reasonable use of, one or more rooms or other segregated spaces in a location as mutually agreed (both parties acting reasonably) in, on, over or under the Building (the "Equipment Space(s)") for the purposes of: (a) making available and providing telecommunications and other communication services subject to CRTC rulings from time to time, (collectively the "Bell Services") to prospective purchasers and the owners, tenants, invitees or residents of the Building (collectively, the "Occupant(s)"); and (b) exercising non exclusive marketing and advertising rights in accordance with the terms and conditions of the Marketing Agreement – Rental Portfolio (applicable to the buildings with a Competitive Expiry Date, described in Schedule "A" of the Marketing Agreement) dated May 10, 2012 (the "Marketing Agreement");
  - ii. subject to CRTC rules, regulations and decisions from time to time and subject to Bell first obtaining any necessary third party approvals, use, construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace Equipment in, on, over or under the Building (including without limitation, installation of Equipment for marketing demonstrations of Bell Services). "Equipment" includes but is not limited to any hardware, wire, cabling, infrastructure or otherwise (excluding conduit), which is necessary and incidental to enable and deliver and demonstrate Bell Services to Occupants. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new and/or different equipment necessary to provision the Bell Services; and
  - iii. in the event closed-circuit security television cameras and/or other video equipment (e.g., amplifiers, splitters)(collectively, the "CCTV") exists in the Building, access and to use the signal feed from such CCTV's for the purpose of injecting such feed into the Bell Services. Owner acknowledges that Bell makes no representation or warranty in connection with access to the CCTV or use, content or quality of the signal feed.

Nothing herein shall be construed or interpreted as granting Bell any exclusive access rights or access privileges in or to the Building to the exclusion of any other third parties

2. Owner acknowledges that Bell shall also have access to a path and/or conduit along, over, under or on the property, from the property line to the Building (the "Conduit"), and in or through the Equipment Space(s). If Bell determines that a fibre optic cable or Equipment must be installed to the Conduit, the Building and/or the Equipment Space(s), Bell may install, maintain, and upgrade any Equipment within the Conduit. The parties shall agree in advance (both acting reasonably) upon a plan of installation, upgrade or maintenance of the Equipment within the Conduit.
3. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal service hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this License for carrying out routine service calls, provided that where such access and/or use is required for Bell to perform a material installation, upgrade or maintenance (collectively, the "Material Work"), Bell shall first obtain the Owner's written approval prior to carrying out such Material Work. Bell agrees that, if requested by the Owner, such access will be with the accompaniment of and under the direct supervision of a representative of the Owner or an agent of the Owner. All employees and contractors of Bell that access the Building shall advise the property manager of the Owner of their attendance on the Building immediately upon entering the Building and will at all times wear identification badges that clearly identify them as an employee or contractor of Bell.

4. The parties shall meet the installation requirements for the equipment to be installed by Bell (the "Bell Equipment") as such requirements are more specifically set forth in Schedule "B" hereto. Bell shall, at its own cost: (i) ensure that the Bell Equipment is installed in accordance with all laws, including without limitation, relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Bell Equipment during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) specific to such Occupant's in-suite requirements. Bell covenants to repair, at its sole expense, any direct or indirect damages to the Building or the Equipment Space where such damages are caused by or arising out of any act, conduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (the "Covenant"). The Bell Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or equitable ownership interest in the Bell Equipment nor any of Bell owned items reasonably contemplated herein and shall not make any claim to the contrary. Bell agrees and acknowledges that the Bell Equipment is installed at the sole risk and expense of Bell provided that the Owner and its property manager and their respective, employees, officers, directors, agents, contractors, subcontractors and others for whom they are responsible in law (collectively, the "Owner Parties") shall use reasonable efforts to protect the Bell Equipment and ensure its safety. Bell hereby agrees and covenants that the Owner Parties shall have no liability to Bell and Bell will not seek recourse against or assert any claim against any of the Owner Parties in respect of any damage that is caused to the Bell Equipment arising from any matter or reason whatsoever including, without limitation, vandalism, tampering, interference or misuse of the Bell Equipment save and except if such damage is caused by the willful misconduct or negligence of any of the Owner Parties or the failure of the Owner Parties to use reasonable efforts to protect the Bell Equipment and ensure its safety in accordance with the terms of this Section 4 of this Agreement.
5. Nothing in this License limits the Owner's right to repair any common elements of a Building; provided that where any such repair may affect the Bell Equipment, the Owner shall: (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move the Bell Equipment before the repairs are made; and (ii) reimburse Bell for all reasonable costs Bell incurs as a result of any material relocation or adjustment.
6. Each party represents and warrants that: (1) it has full right, power and authority to enter into and perform its covenants and obligations in this License; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this License; and (4) no building rule is in force that would prevent or limit either party from: (i) entering into this License; and/or (ii) performing its obligations hereunder.
7. Bell Canada will be liable for and will indemnify and save harmless the Owner and its property manager and their respective directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnitees"), from and against any and all losses, suits, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "Losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out of any act, conduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (including, without limitation, the Covenant set forth in Section 4 herein), provided that Bell Canada will not be required to indemnify the Owner Indemnitees to the extent any such Losses are caused by the willful misconduct or negligence of any of the Owner Indemnitees or the failure of the Owner to observe and perform any of the agreements, covenants and obligations to be observed and performed by it under this Agreement. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnitees from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages. This Section shall survive the expiration or termination of this License.
8. The term of this License is effective as of the Effective Date and shall continue to run for a period of ten (10) years from the Effective Date (the "Term"). Subject to Section 9 hereof, the Term will be automatically extended for additional one year terms for so long as Bell Services are available to the Building (the "Renewal Term") on the terms and conditions herein.
9. Either party may terminate this License: (i) upon a party providing to the other party hereto with written notice of its intention not to renew this License at least one hundred and twenty (120) days prior to the expiration of the Term or Renewal Term, provided there are no active subscribers to Bell Services in the Building; (ii) in the event of a material breach hereof, where such breach is not cured within thirty (30) days of receipt of written notice by the other party of such breach or if the breach cannot be cured within such thirty (30) day period, the defaulting party does not commence to promptly, diligently, expeditiously and continuously remedy such breach within such thirty (30) day period; or (iii) immediately, in the event the other party becomes bankrupt or insolvent, becomes unable to pay its liabilities when they become due, has insolvency proceedings commenced by or against it, makes an assignment for the benefit of its creditors, takes the benefit of any statute relating to bankrupt or insolvent debtors; or where an order is made or a

resolution is passed for the winding up of the other party; or a receiver, receiver and manager, interim receiver, trustee in bankruptcy or liquidator is appointed to take possession of the assets of other party; or a creditor takes steps to issue an Application for a Bankruptcy Order against the other party; bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this License or impairs Bell's ability to provide Bell's Services in an economical and technically practical fashion, Bell may terminate this License upon thirty (30) days' written notice to Owner. Upon expiry or termination of this License and provided there are no further active subscribers to Bell Services in the Building (in which case Bell will retain title to the Bell Equipment), Bell shall be allowed thirty (30) days to remove the Bell Equipment, after which the Bell Equipment shall be deemed abandoned and ownership and title shall automatically transfer to the Owner and the Owner shall be entitled to use, dispose of or otherwise deal with the Bell Equipment as it determines in its sole discretion without any compensation being payable to Bell and free and clear of any and all right, title, interest or claim of Bell or anyone claim by, on behalf of or through Bell. None of the rights and obligations contained herein may be assigned or transferred by the Owner without the prior written consent of Bell. The removal of the Bell Equipment by Bell upon the expiry of the Term or the earlier termination of this Agreement shall be at the sole cost and expense of Bell and Bell shall remove the Bell Equipment in a good and workmanlike manner and in accordance with Applicable Laws at no cost to the Owner and Bell shall promptly and in a good and workmanlike manner repair any and all damage caused by the removal of the Bell Equipment and restore the Building to the state and condition that existed prior to the removal of the Bell Equipment. Bell agrees and covenants to reimburse the Owner for any and all costs and expenses incurred by the Owner to repair any damage caused by the removal of the Bell Equipment and to restore the Building to the state and condition that existed prior to the removal of the Bell Equipment and to dispose of the Bell Equipment if it is abandoned by Bell in accordance with the terms hereof within thirty (30) Business Days after its receipt from the Owner of invoices in respect of such costs and expenses. Bell acknowledges and agrees that the obligation to reimburse the Owner for the costs and expenses incurred by it to repair damage caused by the removal of the Bell Equipment shall apply regardless of whether Bell itself removes the Bell Equipment or it abandons the Bell Equipment and the Bell Equipment is subsequently removed on behalf of Bell by the Owner.

11. Where a provision of this License conflicts with a Schedule attached hereto, the provision of this License shall prevail. This License and Schedules will be governed by the laws of the Province of Ontario and the applicable laws of Canada therein, excluding any conflict of laws, rule or principle which might refer to the laws of another jurisdiction. This License shall also be subject to all applicable federal, provincial and local laws, and regulations, ruling and orders of governmental agencies, including, but not limited to the *Telecommunications Act*, as amended, the *Broadcasting Act*, as amended or the rules and regulations of the Canadian Radio-Television and Telecommunications Commission (the "CRTC"). Notwithstanding anything herein, Bell covenants and agrees to carry out its obligations under this License, use the Bell Equipment and the Equipment Space(s) and provide the Bell Services to tenants and other Occupants and invitees of the Building in accordance with all applicable laws, statutes, rules, by-laws, treaties, regulations, ordinances, regulatory policies and all applicable official directives, orders, judgments and decrees of or similar requirement made or issued by a government of Canada, any province, territory or other political subdivision thereof and any person exercising any executive, regulatory, judicial or administrative authority thereof having the force of law (collectively, "Applicable Laws") and in a manner that does not interfere with the quiet use and enjoyment of the Building or any part thereof by the tenants and other occupants and invitees of the Building.

12. This License and the Marketing Agreement constitute the entire agreement of the parties and supersede all prior agreements and understandings on the subject matter hereof. Except as provided in Section 8, neither party makes any representation or warranty express or implied, statutory or otherwise to the other. If any provision of this License is found to be invalid, illegal or unenforceable, the other provisions of this License shall not be affected or impaired, and the offending provision shall automatically be modified to the least extent necessary in order to be valid, legal and enforceable.
13. The Owner and Bell Canada acknowledge and agree that this License pertains to each separate Building listed on Schedule "A". Where applicable, the terms and conditions of this License shall be interpreted by the parties and by any third party adjudicator as if such terms and conditions apply to each Building separately from the other Buildings listed on Schedule "A". For greater certainty, in the event that this License is terminated with respect to any one Building listed on Schedule "A", (whether pursuant to the terms of this License or otherwise) prior to the expiry date as noted herein, the terms and conditions of this License shall remain in full force and effect, unamended in respect of the remaining Buildings listed on Schedule "A".
14. In the event a new owner is to be added as a party to this License (the "New Owner") and/or a New Owner or Owner wishes to add a new building as a Building under Schedule "A" to this License, Such New Owner or Owner shall provide Bell with written notice of such new building and Bell, at its sole option, may add the New Owner (if applicable) and such new building to this License within thirty (30) days of receipt of such notice by execution of an addendum substantially in the form set forth in Schedule "C" hereto.
15. Save and except for Affiliates, none of the rights and obligations contained herein may be assigned or transferred by either party without the prior written consent of the other party. Owner shall immediately notify Bell, in writing, in the event of any proposed or actual sale, conveyance, assignment or transfer (collectively, the "Transfer") of all or part of a Building (the "Subject Building"). Upon any Transfer of the Subject Building (other than a conveyance without consideration of a portion of a Building to a governmental authority required as part of or in the course of the development thereof), the Owner shall use commercially reasonable efforts to cause the transferee to execute and deliver to Bell an agreement whereby the transferee agrees to assume and be bound by all the rights and obligations of the Owner as set out herein as they apply to the Subject Building as if the transferee was an original signatory hereof (the "Assumption"). Upon the date any such Assumption becomes effective, the Owner shall be immediately released from its obligations under this License in respect of the Subject Building (save and except for any outstanding obligations arising hereunder prior to such Assumption). Owner shall also immediately notify Bell in the event the property management company of the Building should change. Notwithstanding such change of property management, the Owner and the Building shall continue to be subject to the terms and conditions of this License and shall provide a copy of this License to the new property management.
16. The Owner and Bell hereby agree that this License and any information provided by one party to the other party herein, including, without limitation, information relating to third parties obtained, shall remain the confidential information of the parties and neither party shall disclose such confidential information without the prior written consent of the other party, or unless disclosure of such confidential information is compelled by judicial or regulatory process or otherwise by law or if the confidential information has been made public without any action by the disclosing party. For greater certainty, this provision shall not be construed to prevent either party from disclosing any of the terms of this License to its auditors, financial and legal advisors, or as may otherwise be required by law. This section shall survive the expiry or early termination of this License
17. The parties acknowledge and agree that Park Property Management Inc. has the authority to execute this Agreement for and on behalf of, in the name of, and with the authority of the Owner and that the covenants and agreements of the Owner herein are the obligations of the Owner and its successors and assigns only, and are not obligations personal to or enforceable against Park Property Management Inc. in its own right.
18. Throughout the Term of this Agreement, Bell, at its sole cost and expense, shall take out and keep in full force and effect comprehensive general liability insurance, including but not limited to personal injury liability, contractual liability and owners' and contractors' protective insurance coverage with respect to Bell's use of the Building or any portion thereof; such coverage shall include the activities and operations conducted by Bell and any other person(s) performing work on behalf of Bell or on whose behalf Bell is in law responsible. Such policy shall be written with inclusive limits of not less than Five Million Dollars (\$5,000,000.00) for each occurrence involving bodily injury, death or property damage, and name the Owner as an additional insured and with the required insured limit composed of any combination of primary and excess (umbrella) insurance policies. A Certificate of Insurance shall be furnished to the Owner at the time of execution of this Agreement and promptly at any time thereafter upon request. No such policy shall be cancelled unless it is simultaneously replaced with a policy providing equivalent or better coverage and Bell shall provide the Owner with a Certificate of Insurance in respect of the new policy.

In witness thereof the parties through their duly authorized representatives have executed this License as of the Effective Date.
