TELECOMMUNICATIONS LICENSE AGREEMENT

This License Agreement made as of the 1st day of November, 2011.

B E T W E E N:

IBM CANADA LIMITED

(hereinafter the "Licensor")

- and -

BELL CANADA

(hereinafter the "Licensee").

1. DEFINITIONS

In this Agreement, the definitions set out on Schedule "A" apply.

2. GRANT OF LICENSE

Subject to, and in accordance with the provisions of this Agreement, the Licensor grants to the Licensee for the Term, a non-exclusive license, revocable only in accordance with the express terms of this Agreement, to:

- (a) install, operate, maintain, improve, replace and remove, at the Licensee's sole expense and risk, certain Communications Equipment in the Equipment Area(s); and
- (b) install, maintain, operate, and replace, at the Licensee's sole expense and risk, certain Connecting Equipment, through the Entrance Link(s) and through the Communications Spaces to the premises of tenants and occupants of the Building.

Although the license granted to the Licensee is a non-exclusive one, if an Exclusive Use Area is identified in Schedule "B" of this Agreement, the Licensee will not be required to share occupancy of the Exclusive Use Area with any other licensee or any tenant or other occupant of the Building.

3. COSTS AND OCCUPANCY CHARGES

The Licensee shall pay the following to the Licensor:

- (a) annual Occupancy Charges, beginning on the Commencement Date and payable annually in advance, without deduction, set off or abatement, as specified on Schedule "C" attached hereto;
- (b) on the date of the Licensee's execution of this Agreement, the Initial Costs specified in Schedule "C"; and
- (c) during the term of this Agreement, the Ongoing Costs more particularly set out in Schedule "C" attached hereto.

4. TERM

The Term of this Agreement will commence on the Commencement Date and expire on the date stipulated on the Data Page. However, if the Licensee has not installed the Licensee's Equipment in the Building within one hundred and eighty (180) days of the Commencement Date, the Licenser may terminate this Agreement on thirty (30) days' notice to the Licensee and Section 16 will apply.

5. OPTION(S) TO RENEW

If the Licensee does not default under this Agreement, the Licensee may renew the Term for the Renewal Period(s) if any stated on the Data Page, but the Licensee must give written notice of its exercise of this option at least six (6) months and not more than twelve (12) months prior to expiration of the Term, or the Renewal Period, as the case may be, and there will be no Renewal Period following the expiry of the last Renewal Period stated on the Data Page.

6. USE

The Licensee shall use the Building Communications Spaces and the Equipment Area(s) in the Building solely for the purpose of providing telecommunication services to the tenants or occupants situated in the Building who subscribe for those services during the respective terms of their tenancies. The Licensee must not serve other properties from the Building unless expressly approved in writing by the Licenser. This Agreement prohibits the installation or operation by or on behalf of the Licensee, of all forms and types of rooftop communications equipment or wireless communications equipment and all types of outgoing broadcasting equipment and services, without further agreement with the Licenser not to be unreasonably withheld or delayed.

7. INSTALLATION, CONSTRUCTION AND ALTERATIONS BY LICENSEE

7.1 Plans and Specifications

Prior to any installation, construction or other work, and prior to any changes, alterations or upgrades to any existing work or installation in the Building, the Licensee shall, at its sole cost and expense, prepare and deliver to the Licenser the following: working drawings, plans and specifications for the work or installation

detailing, without limitation, the type, size and location of the Licensee's Equipment, the Communication Spaces to be used by the Licensee and the Equipment Area(s), all specifically describing the proposed construction and work (collectively the "Plans and Specifications"). All Plans and Specifications must be prepared in accordance with industry standards, and will be considered as part of the Plans and Specifications only when they have been approved by the Licensors, in writing. The Licensor's approval of Plans and Specifications will not be considered a representation or acknowledgement that the Licensee's Equipment will not cause interference with other systems or equipment in the Building or that the Plans and Specifications comply with applicable laws, rules or regulations. That responsibility shall remain with the Licensee. The Licensor will Act Reasonably in attempting to accommodate the Licensee's reasonable requirements for the time frames for approval of Plans and Specifications, but the Licensee acknowledges that either (i) the Licensor will not be required to expend funds, or to retain consultants or additional staff to meet the time requirements of the Licensee; or (ii) the Licensor may choose to have external resources to review Plans and Specifications notwithstanding completion of such work or installation in the Building. Where the work or installation is not found to be to the satisfaction of the Licensor, Acting Reasonably, then the Licensor may require the Licensee to reinstall its equipment to the satisfaction of the Licensor and failing which, in addition to any other remedy it has in this Agreement, it shall be entitled to undertake the required modifications or reinstallation as are reasonably required at the Licensee's sole cost and expense.

7.2

Standards of Construction

All installation and construction, including but not limited to alterations and upgrades shall be performed only:

- (a) in a neat, responsible, and in a good workmanlike and professional manner;
- (b) strictly in accordance with any requirements imposed by the Licensor, Acting Reasonably, concerning the manner and times of installation and construction and communicated in advance to the Licensee;
- (c) in accordance with all applicable laws, rules and regulations;
- (d) using only contractors approved in writing by the Licensor Acting Reasonably; and
- (e) strictly in accordance with the Plans and Specifications.

7.3

Permits

The Licensee shall obtain, at its sole cost and expense, prior to construction and work, any necessary permits, licenses and approvals, copies of which will be

delivered to the Licensor prior to commencement of construction and work. The Licensee's Equipment shall comply with all applicable standards including safety standards, as may be periodically revised by any governing body with jurisdiction over the Licensee's operations.

7.4

Labelling

The Licensee shall label each cable installed by or used by the Licensee in the Communications Spaces. The labelling will reference the floor where the cable originates and the floor where the cable terminates. The Licensor will Act Reasonably in connection with the requirements stated above in this Section. The Licensor agrees and acknowledges that the Licensee will have a corporate standard for labelling that complies with the security requirements of its clients. If the Licensee fails to label, in accordance with the foregoing, then the Licensor shall be entitled to retain the services of a reputable third party contractor to conduct such labelling, and the costs of same shall be paid for by the Licensee forthwith upon receipt of the invoice from the Licensor for such costs.

7.5

As Built Drawings

The Licensee will be required to provide to the Licensor as built drawings in whatever format the Licensor requires, Acting Reasonably, depicting the Licensee's Equipment, its locations, its method of installation, and any other actual on-site conditions required by the Licensor. Those as built drawings will be required to be updated and revised from time to time should any material changes occur to the Equipment Area(s), the Building or the Licensee's Equipment. The as built drawings will be provided in each case no later than twenty-one (21) days after the Licensor's written request. Any reasonable out of pocket costs incurred by the Licensor in reviewing these as built drawings will be paid by the Licensee, costs reasonably incurred shall be consistent with telecommunications industry standards.

7.6

INTENTIONALLY DELETED

7.7

Liens

The Licensee shall be responsible for the satisfaction or payment of any liens for any provider of work, labour, material or services claiming by, through or under the Licensee. The Licensee shall also indemnify, hold harmless and defend the Licensor against any such liens, including the reasonable fees of the Licensor's solicitors. The provisions of this Section shall survive termination of this Agreement. All liens shall be removed within ten (10) business days of notice to the Licensee to do so. The Licensor may, at the cost of the Licensee, pay money into court to obtain removal of a lien if the Licensee fails to do so, as required, and the Licensee will pay such cost to the Licensor forthwith.

7.8

No Representation or Warranty By Licensor

The Licensor makes no warranty or representation that the Equipment Area(s), the Communications Spaces or any part of the Building are suitable for the Licensee's use and accepts no responsibility if they are not suitable. The Licensee is deemed to have satisfied itself in all respects including completing comprehensive site inspections of the Equipment Area(s), the Communications Spaces and the Building, respectively, and accepts them "as is". The Licensor is under no obligation to perform any work or provide any materials to prepare the Equipment Area(s), the Communications Spaces or the Building for the Licensee. Without limiting what is stated above, the Licensor has no obligation to provide emergency or "backup" power to the Licensee and, so long as it makes reasonable best efforts to notify the Licensee (with contact information to be provided by the Licensee) in advance of any planned utility outages that may interfere with the Licensee's use, it will not be responsible for any losses, costs or expenses suffered as a result of any such outages.

8.

LICENSEE'S OPERATIONS

8.1

Positive Obligations

The Licensee shall, at its sole cost and expense:

- (a) maintain and repair the Equipment Area(s) and keep the Licensee's Equipment in proper operating condition;
- (b) expeditiously repair any damage to the Communications Spaces and any other property owned by the Licensor or by any tenant, licensee or occupant of the Building if the damage is caused by the Licensee or any of its agents, representatives, employees, contractors, subcontractors, or invitees while at the Building;
- (c) comply with all Building rules and regulations which shall be consistently applied by the Licensor to all telecommunications service providers accessing the Building, as periodically adopted by the Licensor, Acting Reasonably and cause its agents, employees, contractors, and invitees to do so;
- (d) comply with all applicable laws, regulations, by-laws, rules, orders and ordinances of all federal, provincial, and municipal governmental authorities, including, without limitation, the rulings and decisions of the Canadian Radio Television and Telecommunications Commission (CRTC) pertaining to the installation, maintenance, testing, modifying, upgrading, replacing, operation and repair of the Equipment Area(s), Licensee's Equipment, and the Licensee's provision of services; and

- (c) strictly comply with all occupational health and safety legislation, workplace safety and insurance legislation, and other governmental requirements relating to performance of work and adherence to safety standards.

8.2 Restrictions

The Licensee shall not:

- (a) interfere with the use and enjoyment of the Building by the Licensor or by tenants or occupants of the Building or other buildings;
- (b) allow the Licensee's Equipment to disrupt, adversely affect, or interfere with other providers of communications services in the Building, the Building's operating, elevator, safety, security, utility, or other systems, the structural elements of the Building, or with the use or operation of communications or computer devices, systems, facilities, and devices situated in the Building or on neighbouring properties;
- (c) encumber, charge, grant a security interest in respect of, or otherwise grant rights in favour of third parties in respect of any part of the In Building Cable Facilities unless agreed to in writing by the Licensor after requested by the Licensee. Such consent not to be unreasonably withheld or unduly delayed or conditioned. Where required by the CRTC or other applicable laws, rules or regulations, the Licensee may permit local exchange carriers to use in-building wire under its ownership or control.

(d) INTENTIONALLY DELETED

- (e) use any part of the Licensee's Equipment as network hub facility, switch hotel, switch node, or similar facility that functions as an integral part of a network where disruption of the operation or use of the Licensee's Equipment or any part of it would have the effect of disrupting service to persons outside of the Building unless agreed to in writing by the Licensor after requested by the Licensee. Such consent not to be unreasonably delayed, withheld or conditioned.
- (f) during construction or otherwise, block access to, or in any way obstruct, interfere with or hinder the use of the Building's loading docks, halls, stairs, elevators, the sidewalks around the Building, or entrances and will not interfere with the use and enjoyment of the Building by the Licensor or by tenants or occupants of the Building or other buildings;
- (h) use any part of the Equipment Area(s) or any other part of the Building as offices, for administration purposes, marketing, advertising, storage, or

- any other purpose not specifically provided for in this Agreement and approved by the Licensor; or
- (i) conduct marketing activities, merchandising activities, advertising campaigns or other forms of promotion within the Building without prior written approval of the Licensor, Acting Reasonably, nor make any public announcement, pertaining to this Agreement without the Licensor's prior written approval.

8.3 Licensor Covenants: The Licensor covenants:

- (a) Without limiting the intent, wording and operation of Section 7.8, to operate, repair and maintain the Building as would a prudent landlord in accordance with accepted building industry standards;
- (b) That any consent or approval of the Licensor pursuant to the terms of this License shall not be unreasonably withheld, conditioned or delayed, except as is expressly provided for;
- (c) Subject to the Licensee reimbursing the Licensor for the Licensor's reasonable costs in doing so, and subject to payment to the Licensor of an administration fee of fifteen percent (15%) of those costs, to cooperate with the Licensee to the extent reasonable in obtaining all necessary consents, permits and authorizations as may be required for the Licensee's construction, installation and operations provided for in this Agreement, in or in respect of the Building

9. ACCESS RESTRICTIONS

9.1 Authorized Access

Those persons that are authorized by the Licensee in writing, and who are identified, and approved in accordance with the Licensor's security procedures for the Building (and, subject to Section 9.3, no others) may have access to the Equipment Area(s) and to the Communications Spaces. However, the Licensor's security and safety procedures and any restrictions on hours of access imposed by the Licensor must be strictly complied with, provided the Licensor acknowledges and agrees that the Licensee and its authorized representatives, in order to comply with regulated service levels, must have 24 hour, 7 day a week, access to the Building. The Licensee will comply with security procedures as consistently applied to all telecommunications service providers accessing the Building. The Licensee shall be fully responsible for the acts and omissions of its employees, and other authorized persons invited on its behalf to enter the Building.

9.2 Notice of Access

Except in the event of an emergency or a time-sensitive bona fide repair requirement, the Licensee will give at least twenty-four (24) hours' written notice to the Licensor of its intent to enter Communications Spaces. At the time that notice is given, the Licensee shall inform the Licensor of the names of the persons who will be accessing the Communications Spaces, the reasons for entry, and the expected duration of the work to be performed. Any person who accesses the Communication Spaces, or any other part of the Building which the Licensor designates, may be required by the Licensor to be accompanied by a representative of the Licensor designated for that purpose and the cost of providing this form of accompaniment will be paid by the Licensee to the Licensor based on reasonable cost. Such costs to be consistently applied by the Licensor to all telecommunications service providers accessing the Building. If there is an emergency or a time-sensitive bona fide repair requirement, the Licensee shall give to the Licensor as much advance notice as reasonably possible of its intent to enter the Communications Spaces or other designated area of the Building and, within five (5) days following a request from the Licensor, shall provide to the Licensor a written report detailing the nature of the emergency, the corrective actions taken, and any other relevant information.

9.3 Licensor's Access

Nothing in this Agreement shall prohibit or otherwise restrict the Licensor and its representatives from having access to and to enter upon and into the Equipment Area(s) or any Exclusive Use Area for the purpose of inspections, conducting maintenance, repairs and alterations which the Licensor wishes to make in connection with the Building, or to perform any acts related to the safety, protection, preservation, or improvement of the Equipment Area(s), Exclusive Use Area, or the Building or for such other purposes as the Licensor considers necessary Acting Reasonably. The Licensor will, however, except in case of an emergency, give the Licensee at least 24 hours' advance notice before entry into an Exclusive Use Area and will use reasonable efforts to minimize any interference with the Licensee's operations.

10. INSURANCE AND RISK MANAGEMENT

10.1 Licensee's Insurance

Unless otherwise agreed with the Licensor, the Licensee shall maintain in force, at its expense, during the Term of and any Renewal Periods the following insurance policies :

- (a) a policy of Commercial General Liability Insurance issued by an insurer acceptable to the Licensor, Acting Reasonably insuring the Licensee, and to be included as additional insureds, the Licensor, the Owner(s), and any additional parties that the Licensor, Acting Reasonably, may designate by written notice, with a combined single limit of not less than Ten Million

Dollars (\$10,000,000.00) per occurrence for bodily injury, death and property damage including physical damage or loss to the Building, including tenants legal liability, and tangible property of the Licensor Released Persons and for bodily injury or death of the Licensor Released Persons as well as for any bodily injury or property damage loss suffered by any of the customers of the Licensee;

- (b) automobile liability insurance for an amount not less than Two Million Dollars (\$2,000,000.00) per accident;
- (c) commercial general liability insurance (10.1(a)), to include contingent employers' liability insurance; and
- (d) all risks property insurance on the Licensee's Equipment on a full replacement cost basis and including tangible property of others in the Licensee's care, custody and control, with a waiver of subrogation against the Licensor.

The Licensee's commercial general liability insurance policy will contain owners' and contractors' protective coverage, contractual liability coverage including legal liability coverage for the Licensee's indemnity obligations under this Agreement, a cross liability and severability of interests clause; will be written on an occurrence basis. The Licensee's insurance shall contain provisions providing that the insurance shall be primary insurance with any other insurance maintained by the Licensor, or the Owner(s) being excess and non-contributing with the insurance of the Licensee to the extent of the negligence of the Licensee and those whom the Licensee are responsible in law. Each of the Licensee's liability insurance policies or certificates of insurance will require at least thirty (30) days prior written notice of cancellation of the policy to be given to the Licensor. Excess or umbrella insurance policies may be used to achieve the required insured limits.

Licensor will maintain all risks property insurance on the Building, and commercial general liability insurance.

10.2 Evidence of Insurance

The Licensee will provide to the Licensor upon Commencement Date before entering on any part of the Building for the purpose of installation or operation of any of the Licensee's Equipment insurance certificates in a form, detail, and content reasonably satisfactory to the Licensor confirming that the coverages and policies required to be maintained by the Licensee as provided above, are in full force and effect. On each anniversary of the Commencement Date Licensor may request that the Licensee provide to the Licensor updated and current certificates satisfying the requirements stipulated above.

10.3 Contractors' and Subcontractors' Insurance

All contractors, and subcontractors of the Licensee will be required to maintain builder's risks all risks, contractor's liability insurance, (including completed operations coverage), and such other insurance as may be required by the Licensor, Acting Reasonably, in such amounts; in such forms, and issued by such insurers, as are approved by the Licensor, Acting Reasonably.

10.4 Release by Licensee

In no event will the Licensor be liable to the Licensee, and the Licensee releases the Licensor for:

- (a) any damage to the Licensee's Equipment and Equipment Area(s) or loss of use of such property;
- (b) the quality, adequacy, compatibility or sufficiency of any Building Communications Spaces provided to the Licensee hereunder, it being acknowledged by the Licensee that all Building Communications Spaces are provided "as is" and "where is", the use of which is at the sole risk of the Licensee;
- (c) the activities of any third party, under the terms of another telecommunications access license or similar agreement, whether or not the party has been escorted while within the Building;
- (d) any claims resulting from lighting or other electrical current passing through the Building or facilities that cause any damage to the Licensee's Equipment or result in the interruption of any service by the Licensee;
- (e) the inadequacy of any utility service, or the loss of or the failure to provide any utility service save and except for the failure of the Licensor to provide reasonable prior notice in accordance with Section 7.8 of this Agreement. The Licensee acknowledges that interruptions in the supply of any services, systems or utilities are not uncommon in office buildings and the Licensee further acknowledges that any sensitive Licensee's Equipment in and on the Building will be protected by the Licensee from any failure in supply or interruptions through the use of a UPS system, surge protectors and other appropriate safety systems; or
- (f) any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to or loss of or use of property referred to in paragraph (a), or damage to property in respect of which the Licensee maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licensee self insures, it being acknowledged that the Licensor,

in requiring the Licensee to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licenser.

This release extends to any acts or omissions of the Licenser but not to any negligent, grossly negligent or wilful acts or omissions of the Licenser except that for damage, loss, cost or expense referred to in subparagraph 10.4(f) above, Licenser will only be responsible for any grossly negligent or wilful acts or omissions of Licenser.

10.5 Release By Licenser

The Licenser releases the Licensee in respect of any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to Licenser's property in respect of which the Licenser maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licenser self-insures, it being acknowledged that the Licensee, in requiring the Licenser to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensee.

This release extends to any acts or omissions of the Licensee but not to any grossly negligent or wrongful wilful acts or omissions of the Licensee.

10.6 Consequential Damages - Expanded Meanings - Agency and Trust

(a) Neither the Licenser nor the Licenser Released Persons nor the Licensee nor the Licensee Released Persons will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages of Licenser, Licenser Released Persons, Licensee or Licensee Released Persons, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages and whether or not such loss or claim may have arisen out of the negligence (including, without limitation, gross negligence) of the Licenser, the Licenser Released Persons, the Licensee or any Licensee Released Persons.

(b) Wherever a release is provided for under this Agreement in favour of the Licensee, it will be deemed to include the Licensee Released Persons. The Licensee acts

as agent or trustee for the benefit of the Licensee Released Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

(c) Wherever a release is provided for under this Agreement in favour of the Licensors, it will be deemed to include also the Licensors Released Persons. The Licensors acts as agent or trustee for the benefit of the Licensors Released Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release in this Agreement that is intended to benefit them.

11. TRANSFERS AND OTHER DEALINGS BY LICENSEE

11.1 Assignment

The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensors but the Licensors must Act Reasonably in considering whether to withhold consent. No assignment shall release the Licensee from any liability or obligation under this Agreement, unless the Licensors provides a release in writing. Notwithstanding the foregoing the Licensee may assign without Licensors consent to any corporate affiliate or associate as defined in the Canada Business Corporations Act (CBCA) provided that this Agreement shall be re-assigned back to the original Licensee if such assignee ceases to be an affiliated or associated corporation.

11.2 Sublicensing

The Licensee may upon receiving prior written consent from the Licensors sublicense, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other communication service provider unless required by law and or the CRTC. Such consent not to be unreasonably delayed, withheld or conditioned.

11.3 Change of Control

For the purposes of the restrictions set out above, any corporate change of control, change in partnership, or other dealing with the issued shares of, assets, partnership interests in, or other aspect of the Licensee or its assets which has the result of changing the effective control of the Licensee will be considered as an assignment in respect of which the Licensors's consent is required in advance in writing. This does not apply, however, if the Licensee is a company with its shares listed on a recognized stock exchange in Canada or the United States of America nor does it apply if the Licensee is a subsidiary of such a company and the effective change of control occurs by virtue of dealings with the shares of the parent company.

11.4 Lenders

The Licensee will be permitted to assign its rights under this Agreement to a bona fide lender, as collateral security for any bona fide secured financing of all or part

of its business undertaking. However, this permission does not imply that the Licensor waives, or is willing to forbear from the exercise of its remedies under this Agreement should an Event of Default occur, nor that any lender will have any greater rights than the Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 11.

12. HAZARDOUS MATERIALS

The Licensee shall not install, bring upon, or use any Hazardous Substance in or on the Building except telecommunications batteries used in accordance with applicable laws and provided that a proper maintenance program is in place. Any required battery maintenance shall be performed by a supplier approved by the Licensor. The Licensor warrants to the best of its knowledge the Exclusive Use Area shall be free from any Hazardous Substance as of the Commencement Date. The Licensee shall indemnify and hold the Licensor Released Persons harmless from any direct claim, loss, cost, damage, or expense resulting from any breach by the Licensee regarding the installation or use of any Hazardous Substance in the Building, including any costs incurred in remedying a breach. The Licensee shall, at its own cost and expense, at all times comply with all applicable laws and regulations from time to time in force relating to the Licensee's use of the Building as set out in this Agreement, and the protection of the environment generally.

13. INTERFERENCE

13.1 Procedure on Notice of Interference

Upon notice to the Licensee by the Licensor that the Licensee's Equipment is interfering with the use and enjoyment of the Building by the Licensor, tenants, occupants or other licensees, the Licensee shall immediately co-operate with the Licensor to identify the source of the interference and shall within forty-eight (48) hours after the Licensor's notice, cease all operations (except for testing as approved by the Licensor, Acting Reasonably), until the interference has been corrected to the satisfaction of the Licensor, Acting Reasonably, unless the Licensee establishes prior to the expiration of the forty-eight (48) hour period that the interference is not caused by the Licensee's Equipment. The Licensee will be responsible for all costs associated with any tests that the Licensor, Acting Reasonably, considers necessary to resolve interference. If the interference has not been corrected within five (5) days after notice to the Licensee of its occurrence, the Licensor may, without waiving its other remedies, require the Licensee to remove specific items from the Licensee's Equipment causing the interference.

13.2 Interference by Third Parties

If the equipment of any telecommunications service provider, or of any tenant or occupant of the Building (a "Third Party") interferes with the operation of the Licensee's Equipment, the Licensee will co-operate with the Third Party and the

Licensor will make reasonable efforts, at the expense of the Licensee, to require the Third Party to co-operate with the Licensee to resolve the interference in a mutually acceptable manner. If co-operation fails to resolve the matter, the Licensee may enjoin the interference by legal action against the Third Party but without the involvement or participation of the Licensor. The Licensee's sole remedy with respect to the Licensor in the event of unresolved interference by a Third Party will be to terminate this Agreement on thirty (30) days' written notice.

13.3 Emergency Situations

If a situation ("an Emergency Situation") occurs in which an immediate threat is posed to the health and safety of occupants of the Building or to the Building itself or there is a disruption or outage in services to occupants of the Building, and the Licensor, Acting Reasonably, determines it to be attributable to the Licensee's Equipment, then, upon written or verbal notice, the Licensee shall remedy the situation immediately. If the Licensee fails to remedy the Emergency Situation or if the Licensor determines that the Licensee's response time is not adequate, then the Licensor may remedy the Emergency Situation at the Licensee's sole expense and this may include interruption of the power supply to the Licensee's Equipment

13.4 Noise

The Licensee shall not allow any excessive or objectionable levels of noise as determined by the Licensor, Acting Reasonably, to be generated by the Licensee's Equipment.

14. DEFAULT-REMEDIES

14.1 Right of Termination

In addition to, and without limitation to any other remedies available to the Licensor, upon or after the occurrence of an Event of Default the Licensor may elect to terminate this Agreement and the Licensor may sue for any other damages to which it may be entitled at law or in equity including Fees that would have been due after the date of termination for liabilities arising prior to the date of termination.

14.2 SPECIFIC LICENSOR'S TERMINATION RIGHTS

In addition to the other termination rights provided to it in this Agreement, the Licensor may elect to terminate this Agreement within ninety (90) days after the happening of the following circumstances, subject to giving at least ninety (90) days' prior written notice to the Licensee if:

- (a) The Licensor wishes to redevelop, or otherwise alter the Building and the relocation of any part of the Equipment Area or the Licensee's Equipment

is not feasible, or where the Licensor elects to change the primary use of the Building to a use other than that in effect as of the date of this Agreement.

Either party may terminate this License without liability to the other party, upon ninety (90) days written notice to the other in any of the following circumstances:

- (a) in the event the Licensee does not install any Licensee's Equipment in the Building;
- (b) the Licensee no longer provides Licensee's telecommunication services in the Building;
- (c) the revocation of the Licensee's LEC status by the CRTC;
- (d) the Licensee is unable to secure, on terms and conditions reasonably satisfactory to it, all necessary consents, approvals, permits and authorizations of any federal, provincial, municipal or other governmental authority having jurisdiction over the provision of License Services or any other matters required by the Licensee to provide License Services;

In the event that decisions, policies or regulations of the CRTC or another regulatory agency are deemed by the Licensee to impede in any way its ability to provide Telecommunications Services in the Building, in which case any prepaid portion of the Fees shall be forfeited by the Licensee.

Reasonable notice of either party with respect to subsections (a) and (b) above shall be one hundred and eighty days following notice where the POP Space is not required by an entering LEC or following notice where the POP Space is required by an entering LEC.

- (e) the Building has been destroyed, or damaged to such an extent that it is not feasible to repair it within one hundred and eighty (180) days after the damage, as determined by the Licensor, Acting Reasonably;
- (f) the Equipment Area(s) or the Communications Spaces have been damaged and it is not feasible to restore them within ninety (90) days after the damage as determined by the Licensor, Acting Reasonably; or
- (g) the Building has been expropriated in whole or in part by a lawful authority and it is not feasible to continue to use the Building or a substantial part of the Building as determined by the Licensor, Acting Reasonably.

16. REMOVAL AND RESTORATION

At the expiration or earlier termination of this Agreement the Licensee shall, at the Licensee's sole cost and expense, remove the Licensee's Equipment and all of the Licensee's personal property from the Building, excluding the in building wire under its responsibility and control which the Licensee shall not be required to remove unless the Licensor deems such in building wire unusable for future use. Any property not so removed within thirty (30) days after the expiration or termination may at the Licensor's sole option (i) be removed and stored by the Licensor at the Licensee's expense (and the Licensee will pay the costs of storage) or (ii) becomes the property of the Licensor without compensation to the Licensee. The Licensee, at its sole cost and expense, shall fully repair to the Licensor's satisfaction, Acting Reasonably, all damage caused by the installation, operation or removal of the Licensee's Equipment. If the Licensee fails to fully repair to the Licensor's satisfaction, Acting Reasonably, any such damage, the Licensor may, in its sole discretion, repair such damage and the Licensee shall reimburse the Licensor of all costs and expenses incurred in such repair or refinishing. The Licensee will provide to the Licensor upon completion of the removal of the Licensee's Equipment an engineer's report confirming completion of the removal in accordance with this Agreement.

17. LICENSOR'S ALTERATIONS

Despite anything else in this Agreement, the Licensor may, at any time, make any changes in, additions to or relocations of any part of the Building; may grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Building; may close all or any part of the Building to such extent as the Licensor considers necessary to prevent the accrual of any rights in them to any persons; and the Licensor may also make changes or additions to the pipes, ducts, utilities and any other building services in the Building (including areas used or occupied by the Licensee) which serve any part of the Building. No claim for compensation shall be made by the Licensee by reason of any inconvenience, nuisance or discomfort arising from work done by the Licensor but the work will be done as expeditiously as is reasonably possible.

18. NOTICES

Any demand, notice or other communication to be given in connection with this Agreement shall be in writing and shall be deemed received by the recipient on the date of personal delivery or facsimile transmission with confirmation of transmission, provided that personal delivery is made or facsimile transmission sent before 5:00 p.m. on a Business Day, failing which receipt shall be deemed to have occurred the next following Business Day. Until notified of a different

address, as provided herein, all notices shall be addressed to the parties as stipulated on the Data Page. Notices given by electronic means will not be considered to have been given in writing.

19. INTENT AND INTERPRETATION

19.1 No Implied Waiver

The waiver by a Party of any breach of any term, covenant or condition shall not be deemed to be a waiver of the term, covenant, or condition for any subsequent breach or of any other term, covenant or condition.

19.2 Subordination

On the condition Licenser uses commercially reasonable efforts to provide Licensee a Non-Disturbance Agreement, the Licensee accepts this Agreement subject and subordinate to any mortgage, deed of trust or other lien presently existing or hereafter arising upon the Building or the lands upon which the Building is located and to any renewals, modifications, consolidation, refinancing, and extensions thereof. This provision is self-operative and no further document shall be required to effect the subordination of this Agreement.

19.3 Severability

If any part of, or any provision of this Agreement or any other agreement, document or writing given pursuant to or in connection with this Agreement is invalid or unenforceable under applicable law, the part shall be ineffective to the extent of the invalidity only, and the remaining terms and conditions shall be interpreted so as to give the greatest effect possible to them.

19.4 Governing Law

The construction, interpretation and performance of this Agreement shall be in accordance with the laws of the Province in which the Building is located and the laws of Canada applicable therein

19.5 Survival of Provisions

Any obligation of the parties relating to monies owed, as well as those provisions relating to limitation on liability, indemnity, and actions, shall survive termination or expiration of this Agreement.

19.6 License Only

This Agreement creates a non-exclusive license only and the Licensee acknowledges that the Licensee does not and shall not claim any interest or estate of any kind or extent whatsoever in the Building, Building Communications Spaces, or Equipment Room by virtue of this Agreement or the Licensee's use of the Building, Building Communications Spaces or Equipment Room. The relationship between the Licenser and the Licensee shall not be deemed to be a

“landlord-tenant” relationship and the Licensee shall not be entitled to avail itself of any rights afforded by law to tenants. No partnership, joint venture or any agency relationship is created or intended to be created between the Licensor and the Licensee. The only relationship between them is that of independent contractors.

19.7 Limitation of Licensor Obligations

The obligations of the Licensor under this Agreement shall no longer be binding upon the Licensor if the Licensor sells, assigns or otherwise transfers its interest in the Building as owner or lessor (or be binding upon any subsequent Licensor or owner after the sale, assignment or transfer by such subsequent Licensor) to the extent the transferee agrees to assume the Licensor's obligations. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. The liability of each Party that signs this Agreement as Licensor, is several and not joint, or joint and several, and is limited to the interest of the Party from time to time in the Building.

19.8 Application of Funds

No acceptance of part payment of Fees or other amounts owed to the Licensor will be considered as an accord and satisfaction; the Licensor despite any direction or restriction endorsed on any cheque or accompanying any payment, may apply any payment, in whole or in part against any amounts owed to the Licensor, in its sole discretion; and no acceptance of any payment, even if it purports to be for any subsequent period, shall be construed as a waiver by the Licensor of its right of termination for pre-existing defaults.

19.9 Entire Agreement

The terms and conditions contained in this Agreement supersede all prior oral or written understandings between the parties and constitute the entire agreement between them concerning the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the Parties.

19.10 Disputing Charges

The Licensee may only dispute any amount demanded or invoiced under this Agreement if it does so by written notice stating the details and basis of the objection within sixty (60) days after receipt of the demand or invoice, failing which it will be deemed to have accepted the demand or invoice.

19.11 Interest

Interest accruing at one percent (1%) greater than Prime on any arrears of Costs and/or Occupancy Charges will be payable by the Licensee on demand.

19.12 Time

Time shall of the essence hereof and no extension or variation of this Agreement shall operate as a waiver of this provision.

20. CRTC REQUIREMENTS

The Licensor acknowledges that the Licensee is under the jurisdiction of, and subject to regulation by the Canadian Radio Television and Telecommunications Commission (the "CRTC") and nothing in this Agreement will be construed so as to interfere with the right and obligation of the Licensee to comply with the applicable legislative and regulatory requirements of the CRTC. If a decision, ruling, regulation, or law is made by the CRTC and if the decision, ruling, regulation, or law purports to affect the respective rights and obligations of the Licensor and the Licensee under this Agreement without regard to the date upon which this Agreement is entered into or becomes effective, then the Licensor and the Licensee will adhere to the decision, ruling, regulation, or law subject to the following:

- (a) either Party may require that both Parties continue to adhere to the terms and conditions of this Agreement to the extent it is legally permissible, pending any appeal of the decision, ruling, regulation, or law and
- (b) the Parties will, in good faith, negotiate to amend this Agreement to accommodate equitably, the changes that are necessary and appropriate as a consequence of the decision, ruling, regulation, or law. If there is a dispute concerning the changes and amendments referred to above, then the dispute will be determined by arbitration using a single arbitrator and in accordance with the arbitration legislation of the Province in which the Building is located unless otherwise required by the CRTC or applicable laws.

21. ESTOPPEL CERTIFICATES

The Licensee will provide to the Licensor from time to time, within ten (10) days of the Licensor's written request in each case, at no cost to the Licensor, a statement duly executed by the Licensee confirming that this Agreement is in good standing, confirming, the Costs and Occupancy Charges payable and the Costs and Occupancy Charges actually paid to any date specified by the Licensor for the statement, confirming the Commencement Date, the Term, any Renewal Periods to which it claims to be entitled, and any other information that the Licensor reasonably requests pertaining to this Agreement or Building.

22. UNAUTHORIZED CONTINUED USE

If the Licensee continues to use any part of a Building after the expiry of the Term without the Licensor's prior written consent, then, without limiting the Licensor's other remedies (including the right to evict the Licensee), the Costs and Occupancy Charges payable in respect of the Building will be double that which applied during the last year of the Term or Renewal Period, as the case may be,

subject to pro-rating, however, should the unauthorized use continue for less than the full year.

23. TITLE REGISTRATIONS

The Licensee will not register this Agreement or any notice in respect of it on title to the Building without the prior written consent of the Licensor. All costs and expenses of the Licensor in reviewing and approving notices for registration on title will be paid by the Licensee. The Licensor will Act Reasonably in this regard. The Licensee shall, at its sole expense, upon the expiration or earlier termination of this Agreement, register a discharge of any such approved registration.

24. FORCE MAJEURE

Without limiting or restricting the applicability of law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, force majeure shall include, but is not limited to: any acts of God, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances, civil commotion or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause or event beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be a force majeure.

**SCHEDULE “C”
Occupancy Charges and Costs**

In consideration of the Licensee’s use and occupation of the premises more particularly described in this agreement, the Licensee agrees to pay and be responsible for the following costs;

1. Occupancy Charges	Twenty Dollars (\$20.00) per square foot per annum, payable in advance.
2. Initial Costs	Billed on or prior to occupancy based on Licensor’s Cost without additional mark up The Licensor will provide reasonable back-up material to support the Initial Costs.
3. Ongoing Costs	Not estimated in advance but billed on or prior to occupancy. These are based on the operating costs directly attributed to the Licensee’s operations within the Building and Premises.

Definitions

Capitalized Terms: any capitalized terms used but not defined in this Schedule have the same meaning as in the Agreement.

In this Schedule “C” and in this Agreement, the following terms shall be descriptive of the following;

1. **“Occupancy Charges”** shall mean costs for the use of space in the main terminal room or point of presence room and other telephone rooms, such space being described as that space set aside for the use of the Licensee for floor mounted equipment, including reasonable space for service technicians to access such floor mounted equipment and for wall mounted equipment, reasonable space around such wall mounted equipment and access to such equipment, together with a share of the balance of the area in the main terminal room otherwise used for access to the particular space occupied by the Licensee.
2. **“Initial Costs”** shall be inclusive of the following costs;
 - (a) architectural, mechanical and electrical consulting fees description to provide or review architectural, electrical and heating ventilating and air conditioning design for construction of additional main terminal room or point of present space, riser rooms and other areas requiring reconstruction:

- (b) mechanical engineering and construction description to provide sufficient cooling for the anticipated loads within the point of presence ("POP") room and riser room and other areas requiring it:
- (c) electrical engineering and construction to provide sufficient power distribution to support high power loads anticipated in the pop room, including possible connection to an emergency generator power grid, where available using a transfer switch, including the possible installation of consumption check meters to establish the basis for hydro charge-back:
- (d) Security Installations - Installation and secured entry devices or other mechanical electronic security devices to secure the pop room and riser rooms including supervision of locks or card access to specific pop cages or enclosures, installations of closed circuit television cameras and tape backup security to record entry into the Pop room and riser rooms:
- (e) General Construction - Amortization of construction costs for additional Pop or main terminal room ("MTR") room space or re-construction of same to accommodate multiple providers, costs of construction of enlarged or enhanced infrastructure pathway connecting the pop room to the main distribution frame and the construction of pop cages, if required. For clarity, it is agreed that the Licensee shall only be responsible for construction costs under this section associated with the installation of the Licensee's own equipment:
- (f) Such other reasonable costs of facilitating the initial set up of the Licensee's operations on the Licensor's premises.

3. **"Ongoing Costs"** shall be inclusive of the following costs:

- (a) Utility Consumption and Common Costs - The electrical costs attributed to the Licensee's use and operation of the Licensee's Equipment the Communications Spaces and the Equipment Areas based on reading through a check meter to be installed by the Licensee, at its cost, for the Licensee's Equipment, in the Equipment Areas. Alternatively, the Licensor may require the Licensee not to install a check meter and, in that case, the Licensor shall, Acting Reasonably, estimate the amount of electricity consumed by the Licensee, which shall be invoiced to the Licensee and paid forthwith on receipt of the invoice:
- (b) Access or Pathway Costs – Costs associated with the removal of in building wiring under the Licensee's responsibility and control which the Licensor deems unusable for future use or determines that it blocks entry of another LEC. If the Licensor does not require the removal of such wiring, costs associated with the development of wiring maps showing all of the Licensee's wiring/cabling locations in the Building.

(c) Wiring Costs – Where the Licensee has agreed to use the Licensors' wire, the rental of such wire based on recovery of the capital costs of acquisition and or installation of such wire;

(d) Miscellaneous Costs – Non-recurring fees for construction review, or access and floor penetrations based on the costs incurred by the Licensor in either effecting such changes or in supervising same and other reasonable costs incurred by the Licensor from time to time in facilitating, managing, administering and supervising the operations of the Licensee specifically or all telecommunications service providers located in the Building.
