The Licensee's insurance is primary and shall not call into contribution any other insurance available to the Licensor. The Licensee's insurance shall include the Licensor as an additional insured, except for non-owned automobile liability, but solely with respect to liability arising out of the negligence of the Licensee, its employees, agents and contractors. - 8.2 Indemnification by Licensee** The Licensee shall indemnify and save harmless the Licensor from and against any loss, suit, claim, action, damage or expense for property damage and bodily harm arising out of, from or by reason of, the installation, operation, maintenance, repair, removal and/or use of the Licensee's Equipment in the Equipment Room, the Building Risers, the Entrance Link and the Building communications space pursuant to this Agreement to the extent caused by the Licensee's negligence, except to the extent that any such loss, suit, claim, action, damage or expense is due to the negligence or willful misconduct of the Licensor or those for whom the Licensor is in law responsible.
- 8.3 Licensor not Liable** The Licensor shall not be liable or responsible in any way for any injury to any person or for any loss or damage to any property at any time in or upon the Equipment Room, the Entrance Link, the Building Risers, or anywhere else in the Building, howsoever the same shall be caused (unless caused or contributed to by the negligence or wilful misconduct of the Licensor or those for whom it is responsible at law), except as provided pursuant to the last paragraph of this Article 8.3. Without limiting the generality of the foregoing:
- (a) if the Licensee at any time is unable to operate its equipment as a result of electrical power failure or interruption, damage or destruction of or prevention of the Licensee's access to the Equipment Room, the Entrance Link, the Building Risers or the Building or any part thereof, weather conditions or shutdowns of the Building during periods of maintenance or repair, the Licensor shall incur no liability therefor; and
 - (b) neither the Licensee nor the Licensor shall, in any event, be liable to the other for indirect, special or consequential damages (including but not limited to any loss of profits, loss of business revenue, failure to realize expected savings or any other commercial or economic loss).

- (c) the Licensee makes an assignment for the benefit of creditors or becomes bankrupt, or takes the benefit of, and becomes subject to, the legislation in force relating to bankruptcy or insolvency, it being understood that the appointment of a receiver, receiver/manager, or trustee of the property and the assets of the Licensee is conclusive evidence of insolvency.

9.2 Removal of Licensee's Equipment The Licensee shall, prior to the end of the Term and within sixty (60) days of any early termination of this Agreement, remove the Licensee's Equipment and the Licensee's property from the Building and restore the Building by repairing any damage resulting from the installation, operation or removal of the Licensee's Equipment and the Licensee shall leave the portions of the Building where the Licensee's Equipment is located in a neat, clean and safe condition, reasonable wear and tear excepted. The obligation to remove the Licensee's Equipment set out in this Section shall be subject to any CRTC-mandated obligations of the Licensee to maintain the Licensee's Equipment in the Building as demonstrated by the Licensee. Except any Licensee's Equipment mandated by the CRTC, any property not so removed will become the property of the Licensor without compensation to the Licensee. For greater certainty, the Licensee shall be required to remove, at its cost and expense, all Licensee's Equipment that, as of the expiry or termination date of this Agreement, has become obsolete, as determined by the Licensee. Any Building damage not repaired by the Licensee within sixty (60) days of the later of the Licensee's removal of the Licensee's Equipment or the termination of this Agreement may be repaired by the Licensor, and the Licensee shall remain responsible to the Licensor for the reasonable costs of such repair, provided that in no event will the Licensee assume costs arising from the removal of inside wiring equipment, including wires, cables, or addressable wall plates.

In the event the Licensor elects not to repair the damage within one hundred eighty (180) days, the Licensor and the Licensee shall have the right to terminate this Agreement upon providing thirty (30) days prior written notice to the other party, in which event the Licensee shall remove the Licensee's Equipment in accordance with the provisions of Section 9.2 of this Agreement. The Licensee's obligation to pay the License Fee shall cease on the date that the Licensee removes all of the Licensee's Equipment in accordance with the requirements of Section 9.2.

- 11.1 Force Majeure** Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused by, or materially contributed to, force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, force majeure shall mean any acts of god, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances, civil commotions or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be force majeure.

- 12.2 Change of Address** Either party may change its address or particulars for the purposes of the receipt of any Notices in connection with this Agreement by giving notice in the same manner as provided in this Article 12.

ARTICLE 13 - MISCELLANEOUS

- 13.1 Entire Agreement** This Agreement cancels, replaces and supercedes as of its effective date all existing agreements and understandings, written or oral, between the parties relating to the subject matter of this Agreement. The whole contract between the parties is contained in this Agreement and no preliminary proposals, written or oral, form any part of this Agreement. This Agreement may not be amended or modified except by mutual agreement of the parties in writing.
- 13.2 Subordination** This Agreement is and will be subject and subordinate in all respects to any and all mortgages, now or hereafter placed on the Building or the Lands, and to all renewals, modifications, consolidations, replacements and extensions thereof. Subject to the terms of this section, if the interest of the Licenser is transferred to any person including a mortgagee (herein called "**Purchaser**") by reason of foreclosure or other proceedings for enforcement of any mortgage including obtaining possession by a mortgagee or by delivery of a transfer or deed in lieu of such foreclosure, or other proceedings, the Licensee will immediately and automatically attorn to the Purchaser, provided that no subordination or attornment by the Licensee will be effective unless and until, the Purchaser delivers to the Licensee a written undertaking, binding upon the Purchaser and enforceable by and for the benefit of the Licensee, that despite such enforcement proceedings and transfer this Agreement and the Licensee's rights hereunder, will continue undisturbed while the Licensee is not in default of this Agreement. Subject to the preceding sentence, the Licensee agrees upon demand to execute such further instruments as the Licenser may request to evidence the Licensee's subordination of this Agreement or the Licensee's attornment to the Purchaser. Upon attornment under this section, this Agreement will continue in full force and effect as a direct license between the Purchaser and the Licensee, upon all of the same terms, conditions and covenants as are set forth in this License except that, after such attornment, the Purchaser will not be (i) liable for any act or omission of the Licenser prior to such attornment, or (ii) subject to any offsets or defences which the Licensee might have against the Licenser prior to such attornment, or (iii) bound by any prepayment by the Licensee of more than one year's installment of the License Fee, or by any previous modification of this Agreement, unless such prepayment or modification will have been approved in writing by the Purchaser. In the event that the Licensee should fail to execute any subordination or other agreement as requested, the Licensee hereby irrevocably agrees that the any mortgagee or Purchaser shall have the right to terminate this Agreement upon written notice to the Licensee, upon the foreclosure or purchase transaction of such mortgagee or Purchaser's interest in the Building. Notwithstanding anything that may be implied by this section, the parties acknowledge and confirm that the right granted to the Licensee under this Agreement is a license only, and shall not constitute a lease between the two parties.
- 13.3 Waiver** No failure by either to exercise any right under this Agreement or to insist upon full compliance by the other party with its obligations under this Agreement will constitute a waiver of any provision of this Agreement. No waiver shall be effective unless made in writing by an authorized officer of the party.
- 13.4 Successors and Assigns** This Agreement shall not be assigned by the Licensee, in whole or in part, without the express written consent of the Licenser, provided that the Licensee shall be entitled to assign this Agreement to an affiliate of the Licensee, as defined in the *Canada Business Corporations Act*, upon prior written notice to the Licenser. This Agreement shall be binding upon, and shall endure to, the benefit of the parties and their respective successors and permitted assigns.

The Licenser may assign this Agreement to a new owner in the event that the Licenser sells the Building. In the event the Licenser enters into a bona fide agreement to sell, assign or otherwise transfer its interest in the Building as owner (a "**Transfer**"), the Licenser shall notify the Licensee and use commercially reasonable efforts to cause its successor in interest to execute and deliver to the Licensee an agreement (the "**Assumption Agreement**") whereby the transferee agrees to assume and be bound by all the rights and obligations of the Licenser as set out herein. A lease of the entire Building shall be deemed a Transfer within the meaning of this Section. Upon the date

any Assumption Agreement becomes effective the Licensor will be immediately released from its obligations under this Agreement. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of the Transfer.

- 13.5 Status of Manager:** Licensee acknowledges that Dream Office Management Corp. has executed this Agreement solely in its representative capacity as property manager for Licensor and that Dream Office Management Corp. shall have no personal liability under the provisions of this Agreement.

IN WITNESS WHEREOF the parties have executed this Agreement by the hands of their respective officers duly authorized in that behalf.

If the Licensee installs any electrical equipment which overloads the electrical facilities, it shall at its own expense make whatever changes are necessary to comply with the requirements of the Licensor and its insurers and of the governmental authorities having jurisdiction, but not until it first submits to the Licensor plans and specifications for the required work and obtains the Licensor's written approval to perform the same.

The Licensee shall not obstruct or encumber the sidewalks, plaza, entrances, lobbies, corridors, courts, elevators, escalators, vestibules or stairways in and about the Building or use them for any purpose other than ingress or egress from the Equipment Room.

No Licensee, employee or invitee of any Licensee shall go up on the roof of the Building except such roof or part thereof as may be designated in writing by the Licensor as a roof-deck or roof-garden area.
