

TELECOMMUNICATION AND BUILDING ACCESS LICENSE EXISTING
CONDOMINIUM BUILDINGS ACCESS ONLY

This License is made as of the date last signed by both parties below (the "Effective Date").

In consideration of the mutual rights and obligations herein expressed, the sum of \$2.00 paid by each party to the other and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and YORK CONDOMINIUM CORPORATION # 60 (the "Owner") agree as follows:

1. Owner hereby grants to Bell Canada and any Affiliates of BCE Inc. ("Affiliates" as defined in the Canada Business Corporations Act, as amended) including without limitation, those for whom Bell Canada is responsible in law (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to:
 - ii. enter on and gain access in, over or under the multi-unit dwelling building described in Schedule "A" (the "Building") and the common elements and other common areas of the Building, including without limitation, access to and use of, one or more rooms or other segregated spaces in, on, over or under the Building (the "Equipment Space(s)") for the purposes of: (a) making available and providing telecommunications and other communication services, subject to CRTC rulings from time to time, (collectively the "Bell Services") to prospective purchasers and the owners, tenants, invitees or residents of the Building (collectively, the "Occupant(s)");
 - iii. subject to CRTC rules and regulations, use, construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace Equipment ("Installation, Operation and Maintenance") in, on, over or under the Building (including without limitation, installation of Equipment for marketing demonstrations of Bell Services). "Equipment" includes the Bell Equipment (as hereinafter defined) and includes but is not limited to any hardware, wire, cabling, infrastructure or otherwise (excluding conduit) owned or controlled by Bell, the Owner or, if permitted by the CRTC rules and regulations, a third party, which is reasonably necessary and incidental to enable and deliver and demonstrate Bell Services to Occupants, provided that where material installation, Operation or Maintenance is planned. Bell shall provide Owner with a scope of work prior to Bell undertaking any action hereunder. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new and/or different equipment necessary to provision the Bell Services; and
 - iii. in the event closed-circuit security television cameras and/or other video equipment (e.g., amplifiers, splitters)(collectively, the "CCTV") exists in the Building, reasonable access and reasonable use of the signal feed from such CCTV's for the purpose of injecting such feed into the Bell Services. Owner acknowledges that Bell makes no representation or warranty in connection with access to the CCTV or use, content or quality of the signal feed.

Nothing herein shall be construed or interpreted as granting Bell any exclusive access rights or access privileges in or to the Building to the exclusion of any other third parties. In particular, Bell acknowledges that the Owner is currently under contract with a Bell competitor, whereby the Bell competitor provides bulk SMATV service to all of the units, and other services on an individual subscriber basis and that the Owner is firstly bound by the obligations thereunder.

The right of access does not include access to any residential units or any exclusive use common elements.

2. Owner acknowledges that Bell shall also have access to a path and/or conduit along, over, under or on the property, from the property line to the Building (the "Conduit"), and in or through the Equipment Space(s). If Bell determines that a fibre optic cable or Equipment must be installed to the Conduit, the Building and/or the Equipment Space(s), Bell may install, maintain, and upgrade any Equipment within the Conduit. The parties shall agree in advance (both acting reasonably) upon a plan of installation, upgrade or maintenance of the Equipment within the Conduit.
3. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal service hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this License.
4. The parties shall meet the installation requirements for the equipment to be installed by Bell (the "Bell

Equipment') as such requirements are more specifically set forth in Schedule "B" hereto. Bell shall, at its own cost: (i) ensure that all the Bell Equipment is installed in accordance with all laws, including without limitation, relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Bell Equipment during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) specific to such Occupant's in-suite requirements. Bell covenants to repair, at its sole expense, any direct damages to the Building or the Equipment Space where such damages are caused by or arising out of any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (the "Covenant"). Except as otherwise provided in Section 22 of the Condominium Act, 1998, the Bell Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or equitable ownership interest in the Bell Equipment nor any of Bell owned items reasonably contemplated herein and shall not make any claim to the contrary.

5. Nothing in this License limits the Owner's right to repair any common elements of the Building; provided that where any such repair may affect Bell's Equipment, the Owner shall (except in the case of emergencies): (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move its Equipment before the maintenance or repairs are made and which notice shall contain necessary particulars to permit Bell to comment as provided for in item (ii); and (ii) provide Bell with an opportunity to recommend changes to the planned nature, timing, commencement, duration or completion of such repairs or such other matter in respect of the repairs that could have an impact on the Equipment or Bell's ability to deliver the Bell Services. Despite the foregoing, where maintenance or repairs undertaken by the Owner require Bell to move or relocate any of its Equipment, Bell shall provide one Bell technician for a maximum of one eight (8) hour period, and, in the event such move exceeds the duration of eight (8) hours set out in, Bell shall pay for fifty percent (50%) of any remaining costs to facilitate the movement or relocation of the Equipment as required by the Owner.
6. Each party represents and warrants that: (1) it has full right, power and authority to enter into and perform its covenants and obligations in this License; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this License; and (4) no condominium Rule or By-law is in force that would prevent or limit either party from: (i) entering into this License; and/or (ii) performing its obligations hereunder.
7. Bell Canada will be liable for and will indemnify and save harmless the Owner, its directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnitees"), from and against any and all losses, suits, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "Losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out of any negligent or wilful act or omission relating to Bell's use and occupation of the Equipment Space or the Building (including, without limitation, the Covenant set forth in Section 4 herein), provided that Bell Canada will not be required to indemnify the Owner Indemnitees to the extent any such Losses are caused by any negligent act, wilful misconduct or omission of any of the Owner Indemnitees. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnitees from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages. The Owner shall indemnify and save Bell harmless from any loss of or damage to the Equipment caused by the Owner, its employees, agents or contractors or for those whom the Owner is responsible for in law. This Section shall survive the expiration or termination of this License.
8. The term of this License is effective as of the Effective Date and shall continue to run for a period of ten (10) years from the Effective Date (the "Term"). The Term will be automatically extended for additional one year terms for so long as Bell Services are available to the Building (the "Renewal Term") on the terms and conditions herein.
9. Either Party may terminate this License, i) in writing at least ninety (90) days prior to the end of the Term or any Renewal Term, provided there are no active subscribers to Bell Services in the Building; (ii) for a material breach hereof, where such breach is not cured within ninety (90) days of receipt of written notice by the other party of such breach; or (iii) immediately, in the event the other party becomes bankrupt or insolvent, becomes unable to pay its liabilities when they become due, has insolvency proceedings commenced by or against it, makes an assignment for the benefit of its creditors, takes the benefit of any statute relating to bankrupt or insolvent debtors; or where an order is made or a resolution is passed for the winding up of the other party; or a receiver, receiver and manager, interim receiver, trustee in bankruptcy or liquidator is appointed to take possession of the assets of other party; or a creditor takes steps to issue an Application for a Bankruptcy Order against the other party; bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this License or impairs Bell's ability to provide Bell's Services in an economical and technically practical fashion, Bell may terminate this License upon thirty (30) days' written notice to Owner. Upon expiry or termination of this License, Bell shall be allowed thirty (30) days to remove the Equipment, subject to Section 22 of the Condominium Act, 1998. None of the rights and obligations contained herein may be assigned or transferred by the Owner without the prior written consent of Bell.
10. Any notice required or permitted to be given hereunder or any tender of delivery of documents may be sufficiently given by regular mail, personal delivery or by facsimile transmission to each party at the addresses listed below:

11. Where a provision of this License conflicts with a Schedule attached hereto, the provision of this License shall prevail. This License and Schedules will be governed by the laws of the Province of Ontario and the applicable laws of Canada therein, excluding any conflict of laws, rule or principle which might refer to the laws of another jurisdiction. This License shall also be subject to all applicable federal, provincial and local laws, and regulations, ruling and orders of governmental agencies, including, but not limited to, the Telecommunications Act, as amended, the Broadcasting Act, as amended or the rules and regulations of the Canadian Radio-Television and Telecommunications Commission (the "CRTC").
12. This License and the Marketing Agreement constitute the entire agreement of the parties and supersede all prior agreements and understandings on the subject matter hereof. Except as provided in Section 6, neither party makes any representation or warranty express or implied, statutory or otherwise to the other. If any provision of this License is found to be invalid, illegal or unenforceable, the other provisions of this License shall not be affected or impaired, and the offending provision shall automatically be modified to the least extent necessary in order to be valid, legal and enforceable.
13. Throughout the Term, Bell, at its sole cost and expense, shall take out and keep in full force and effect comprehensive general liability insurance, including but not limited to personal injury liability, contractual liability and owners' and contractors' protective insurance coverage with respect to Bell's use of the Building or any portion thereof; such coverage shall include the activities and operations conducted by Bell and any other person(s) performing work on behalf of Bell or on whose behalf Bell is in law responsible. Such policy shall be written with inclusive limits of not less than Five Million Dollars (\$5,000,000.00) for each occurrence involving bodily injury, death or property damage, and name the Owner as an additional insured limited to the negligence of Bell and those for whom it is responsible in law, and with the required insured limit composed of any combination of primary and excess (umbrella) insurance policies. A Certificate of Insurance shall be furnished to the Owner at the time of execution of this Agreement and promptly at any time thereafter upon request, provided that no such policy shall be cancelled and not simultaneously replaced with a policy providing equivalent or better coverage without 60 days prior written notice to the Owner.
14. If the Equipment interferes with, impedes or disrupts (each being an "Interruption") any communications signal that is generated by equipment lawfully existing within the Building prior to the installation of the Equipment, the Owner shall notify Bell in writing of such Interruption and Bell will, to the extent the Equipment is the sole cause of such Interruption, and subject to the second-last sentence of Section 9, use its commercially reasonable efforts to rectify any such Interruption within ten (10) days. If Bell has caused an Interruption and, through the use of its commercially reasonable efforts, does not rectify an Interruption for which it is responsible pursuant to this Section within ten (10) days of receipt of notice of the Interruption, either Party may terminate this License with thirty (30) days written notice to the other Party and Bell shall remove its Equipment in accordance with Section 9 herein, provided, that Bell may use its continuous best efforts to resolve the Interruption during such 30 day notice period and, should Bell be successful, the termination of the License will be stayed and the License will continue in full force without prejudice. If the Owner or its Building systems or any of the Occupants or other providers of telecommunications or other communications services cause an Interruption of the Equipment or the Bell Services, then Bell shall notify the Owner in writing of such Interruption and the Owner shall use its commercially reasonable efforts to rectify any such Interruption within ten (10) days. If Owner, through the use of its commercially reasonable efforts, does not rectify an Interruption for which it is responsible pursuant to this Section within ten (10) days of receipt of notice of the Interruption, Bell may terminate this License with thirty (30) days written notice to the Owner and Bell shall remove its Equipment in accordance with Section 9 herein, provided, that, in the event Bell chooses not to terminate this License in accordance with the terms herein, Owner shall continue to use commercially reasonable best efforts for three months from receiving notice of the Interruption to resolve the Interruption as soon as possible thereafter.

In witness thereof the parties through their duly authorized
representatives have executed this License as of the Effective Date.
