

TELECOMMUNICATION AND BUILDING ACCESS LICENSE
NEW CONDOMINIUM BUILDINGS

This License is made as of the date last signed by both parties below (the "Effective Date").

In consideration of the mutual rights and obligations herein expressed, the sum of \$2.00 paid by each party to the other and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and 560 King Developments Ltd. (the "Owner") agree as follows:

1. Owner hereby grants to Bell Canada and any Affiliates of BCE Inc. ("Affiliates" as defined in the Canada Business Corporations Act, as amended) including without limitation, those for whom Bell Canada is responsible in law (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to:
 - i. Subject to Section 3 herein, enter on and gain access in, over or under the multi-unit dwelling building to be constructed by the Owner as more specifically described in Schedule "A" (the "Building") and the common elements and other common areas of the Building, including without limitation, access to and use of, one or more rooms or other segregated spaces in, on, over or under the Building, in locations approved by the Owner, which approval shall not be unreasonably withheld (the "Equipment Space(s)") for the purposes of: (a) making available and providing telecommunications and other communication services subject to CRTC rulings from time to time, (collectively the "Bell Services") to prospective purchasers and the owners, tenants, invitees or residents of the Building (collectively, the "Occupant(s)"); and (b) exercising non exclusive marketing and advertising rights in accordance with the terms and conditions of the Marketing Agreement - New Condominium Buildings dated September 28 2010 (the "Marketing Agreement");
 - ii. use, construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace Equipment in, on, over or under the Building (including without limitation, installation of Equipment for marketing demonstrations of Bell Services) in locations and a manner of installation as approved by the Owner all in accordance with the electrical and construction plans of the Building. "Equipment" includes but is not limited to any hardware, wire, cabling, infrastructure or otherwise (excluding conduit), which is necessary and incidental to enable and deliver and demonstrate Bell Services to Occupants. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new and/or different equipment necessary to provision the Bell Services; and
 - iii. in the event closed-circuit security television cameras and/or other video equipment (e.g., amplifiers, splitters)(collectively, the "CCTV") exists in the Building, access and to use the signal feed from such CCTV's for the purpose of injecting such feed into the Bell Services. Owner acknowledges that Bell makes no representation or warranty in connection with access to the CCTV or use, content or quality of the signal feed.

Nothing herein shall be construed or interpreted as granting Bell any exclusive access rights or access privileges in or to the Building to the exclusion of any other third parties.

2. To the extent applicable, Owner further grants to Bell a non-exclusive easement and statutory right of way and/or a path to the property line from the Building, as the case may be and in or through the Equipment Space if it is determined that a fibre optic cable or such other equipment must be installed to the Building and/or in the Equipment Space. Owner and Bell shall in advance, agree (both acting reasonably) upon a suitable location to install the fibre optic cable on the property of the Owner. Owner agrees to allow Bell to register, at Bell's expense, such easement and right of way.
3. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal service hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this License (such notice shall include, without limitation, such locations within the Building together with a description of activities to be undertaken by Bell and shall be subject to Owner's or its agent's approval, which shall not be unreasonably withheld),.
4. The equipment to be installed by Bell (the "Bell Equipment") shall be subject to the installation requirements set out more specifically in Schedule "B" hereto and upon completion of such installation, Bell shall satisfy itself that such requirements have been met. Bell shall, at its own cost: (i) ensure that all the Bell Equipment is installed in accordance with all laws, including without limitation, relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Bell Equipment during the Term, although each individual Occupant may incur charges (at Bell's then applicable rates) specific to such Occupant's in-suite requirements. Bell covenants to repair, at its sole expense, any direct damages to the Building or the Equipment Space where such damages are caused by or arising out of any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (the "Covenant"). Except as otherwise provided in Section 22 of the Condominium Act, 1998, the Bell Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or equitable ownership interest in the Bell Equipment nor any of Bell owned items reasonably contemplated herein and shall not make any claim to the contrary.

5. Nothing in this License limits the Owner's right to repair any common elements of the Building; provided that where any such repair may affect the Bell Equipment, the Owner shall provide Bell with reasonable advance written notice to request Bell to adjust and/or move its Equipment before the repairs are made; and which notice shall contain necessary particulars to permit Bell to comment as provided for in item (i) reimburse Bell for all reasonable costs Bell incurs as a result of any material relocation or adjustment; and (ii) provide Bell with an opportunity to recommend changes to the planned nature, timing commencement, duration or completion of such repairs or such other matter in respect of the repairs that could have an impact on the Equipment or Bell's ability to deliver the Bell Services. Despite the foregoing, where repairs undertaken by the Owner require Bell to move or relocate any of its Equipment, Bell shall, at its sole option: (A) provide one Bell technician for a maximum of one eight (8) hour period; or (B) pay for 50% of costs to facilitate the movement or relocation of Bell's Equipment as required by the Owner. Where the time or costs to Bell exceed the foregoing, Bell may remove the Subject Building from this License by providing the Owner with one (1) month written notice without any further charges, liabilities or penalties to either party hereto.
6. Each party represents and warrants that: (1) it has full right, power and authority to enter into and perform its covenants and obligations in this License; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this License; and (4) no condominium Rule or By-law is in force that would prevent or limit either party from: (i) entering into this License; and/or (ii) performing its obligations hereunder.
7. Bell Canada will be liable for and will indemnify and save harmless the Owner, its directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnitees"), from and against any and all losses, suits, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "Losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out of any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (including, without limitation, the Covenant set forth in Section 4 herein), provided that Bell Canada will not be required to indemnify the Owner Indemnitees to the extent any such Losses are caused by any negligent act, wilful misconduct or omission of any of the Owner Indemnitees. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnitees from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property incurred by the Owner Indemnitees, even if advised of the possibility of such damages, unless such damages are awarded by a court of competent jurisdiction (after all appeals of such award have been exhausted).. The Owner shall indemnify and save Bell harmless from any loss of or damage to the Equipment caused by the Owner, its employees, agents or contractors or for those whom the Owner is responsible for in law. This Section shall survive the expiration or termination of this License.
8. The term of this License is effective as of the Effective Date and shall continue to run for a period of ten (10) years from the Effective Date (the "Term"). The Term will be automatically extended for additional one year terms for so long as Bell Services are available to the Building (the "Renewal Term") on the terms and conditions herein. Subject to the provisions of the Condominium Act, 1998, as amended, upon registration of a condominium plan in respect of the Building (the "Corporation") prior to the expiry of the Term, the Owner shall, upon such registration, be immediately released from its obligations under this License (save and except for any outstanding obligations arising hereunder prior to such registration) whereupon the Corporation shall assume and be bound by all the rights and obligations of the Owner as set out herein and shall be responsible for such obligations. Save and except for such assumption by the Corporation, none of the rights and obligations contained herein may be assigned or transferred by Owner, without the prior written consent of Bell.
9. Either party may terminate this License: (i) upon a party providing to the other party hereto with written notice of its intention not to renew this License at least one hundred and eighty (180) days prior to the expiration of the Term or Renewal Term, provided there are no active subscribers to Bell Services in the Building; (ii) in the event of a material breach hereof, where such breach is not cured within ninety (90) days of receipt of written notice by the other party of such breach; or (iii) immediately, in the event the other party becomes bankrupt or insolvent, becomes unable to pay its liabilities when they become due, has insolvency proceedings commenced by or against it, makes an assignment for the benefit of its creditors, takes the benefit of any statute relating to bankrupt or insolvent debtors; or where an order is made or a resolution is passed for the winding up of the other party; or a receiver, receiver and manager, interim receiver, trustee in bankruptcy or liquidator is appointed to take possession of the assets of other party; or a creditor takes steps to issue an Application for a Bankruptcy Order against the other party; bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this License or impairs Bell's ability to provide Bell's Services in an economical and technically practical fashion, Bell may terminate this License upon thirty (30) days' written notice to Owner. Upon expiry or termination of this License, Bell shall be allowed thirty (30) days to remove the Equipment, subject to Section 22 of the Condominium Act, 1998. Save and except for assumption by the Corporation, none of the rights and obligations contained herein may be assigned or transferred by the Owner without the prior written consent of Bell.
