- (i) the Licensee or its counsel determines that it is inappropriate for the Licensee's counsel to represent both the Licensor and the Licensee in regard to such claim; or
- (ii) the Licensee fails to or will not defend the Licensor in regard to such claim or settle such claim after the Licensor has given the Licensee ten (10) days' prior written notice requesting that the Licensee commence a defence or settle such claim.
- (iii) Any and all release and indemnity clauses which are included in the License for the benefit of the Licensor are intended also to benefit the Affiliates of the Licensor, each Owner of the Buildings and the Lands, mortgagees and property managers of the Licensor or such owners, the Affiliates of each owner that are related to the operation of the Buildings, as well as the officers, directors, shareholders, employees, agents, of the Licensor and of each one of such other persons for whom all or any of them is or are in law responsible (individually, the "Releasee" and collectively, the "Releasees"), and, for the purposes of such clauses, the Licensor is hereby acting as agent or trustee on behalf of and for the benefit of the Releasees.

The indemnities and releases in this Section shall survive the expiration or termination of this Agreement.

12. RELEASE BY LICENSOR

The Licensor releases the Licensee in respect of any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to the Licensor's property in respect of which the Licensor maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Licensor self-insures, it being acknowledged that the Licensee, in requiring the Licensor to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensee. This release extends to any acts or omissions of the Licensee but not to any grossly negligent or wilful acts or omissions of the Licensee.

13. LIENS

The Licensee shall be responsible for the satisfaction or payment of any liens for any provider of work, labour, material or services claiming by, through or under the Licensee. The Licensee shall also indemnify, hold harmless and defend the Licensor and Owner(s) against any such liens, including the reasonable fees of the Licensor's solicitors. The provisions of this Section shall survive termination of this Agreement. All such liens shall be removed within ten (10) Business Days of notice to the Licensee to do so. The Licensor may, at the cost of the Licensee, pay money into court to obtain removal of a lien if the Licensee fails to do so, as required, and the Licensee will pay the cost to the Licensor including the amount paid into Court, plus an administration fee equal to fifteen percent (15%) of such amounts as are paid by the Licensor.

14. CONSEQUENTIAL DAMAGES - EXPANDED MEANINGS - AGENCY AND TRUST - CONTRIBUTION

(a) Neither the Licensor nor the Licensee will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages and whether or not such loss or claim may have arisen out of the negligence (including, without limitation, gross negligence) of the Licensor, the Releasees, the Licensee or any Released Licensee Persons.

(b) Wherever a release is provided for under this Agreement in favour of the Licensor, it will be deemed to include the Releasees. The Licensor acts as agent or trustee for the benefit of the Releasees, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

(c) Wherever a release is provided for under this Agreement in favour of the Licensee, it will be deemed to include the officers, directors, employees and agents of the Licensee. The Licensee acts as agent or trustee for the benefit of those other persons and entities and each of them, to allow them to enforce the benefit of this provision

as well as the benefit of each release clause in this Agreement that is intended to benefit them.

- (d) Neither the Licensor nor the Licensee will make a claim against a third party in respect of loss, cost, injury or damage for which it has released the other where the third party would have a claim of contribution or indemnity against the released party in respect of the loss, cost, expense or damage.

15. INTENTIONALLY DELETED

16. ASSIGNMENT, SUBLICENSING, ENCUMBERING, SHARING OF SPACE AND EQUIPMENT BY THE LICENSEE

- (a) The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensor which consent may not be unreasonably withheld. Despite what is stated above, the Licensee may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Licensor, to a purchaser of substantially all of the assets of the Licensee if: (i) the assignee executes an agreement with the Licensor to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Licensor incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee agrees in the agreement referred to above, that should it cease to be an Affiliate of the Licensee, an assignment in respect of which the Licensor's consent is required as provided above will be considered to occur; and (iii) the assignee provides to the Licensor those reasonable particulars which the Licensor requires in order to satisfy itself concerning the requirements stipulated above, and provides to the Licensor reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.

- (b) No assignment whether to an Affiliate or otherwise, shall release the Licensee from any liability or obligation under this Agreement, unless the Licensor provides a release in writing.

- (c) Except as provided for in this Agreement, the Licensee will not sublicense, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other service provider and will not mortgage or encumber its rights under this Agreement in favour of any lender without the Licensor's consent.

- (d) Despite what is stated above, the Licensee will be permitted to assign its rights under this Agreement to a bona fide lender, as collateral security for any bona fide, secured financing of all or part of its business undertaking. However, this permission does not imply or allow the inference that the Licensor waives, or is willing to forbear from the exercise of its remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the

Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 16.

17. HAZARDOUS MATERIALS

The Licensee shall not install, bring upon, or use any Hazardous Substance into or on the Buildings or the Lands except communications equipment batteries in a manner and in quantities as necessary for the ordinary performance of the Licensee's business in the Buildings, and provided that any such use is in compliance with all applicable laws. The Licensee shall indemnify and hold the Licenssor, Releasees and any party the Licenssor is responsible for at law, harmless from any claim, loss, cost, damage, or expense resulting from any breach regarding the installation or use of any Hazardous Substance brought into or on the Lands or Buildings by the Licensee, including any and all costs incurred in remedying such breach.

18. EVENTS OF DEFAULT - TERMINATION REMEDIES

- (a) Each of the following events shall be deemed to be an Event of Default by the Licensee under this Agreement:
 - (i) the Licensee defaulting in the payment of any License Fee, amount, or portion thereof, or other sum of money due to the Licenssor and such default continues for more than Five (5) Business Days, after written notification of such default by the Licenssor to the Licensee;
 - (ii) there is interference with the communications or computer equipment of the Licenssor, any tenant, or any other occupant of the Buildings or any other communications or computer devices provided in the Buildings by reason of, or as a result of, the installation, operation, maintenance, repair, or removal of the Licensee's Equipment, which interference is not cured within forty-eight (48) hours of the Licensee's receipt of written notice by the Licenssor of such interference;
 - (iii) the revocation of the Licensee's permission to provide regulated or non-regulated communications services by any governing entity authorized to permit or regulate the Licensee's providing of such services;
 - (iv) the Licensee becoming insolvent, or the filing, execution, or occurrence of a petition in bankruptcy or other insolvency proceeding by or against the Licensee; or an assignment for the benefit of creditors; or a petition or proceeding by or against the Licensee for the appointment of a trustee, receiver or liquidator of the Licensee or of any of the Licensee's property or a proceeding by any governmental authority for the dissolution or liquidation of the Licensee;
 - (v) the appointment of a receiver, receiver and manager, or other representative in connection with any default by the Licensee under any loan or debt obligation;

- (vi) the ceasing of the Licensee to carry on business in the ordinary course; and
- (vii) if the Licensee shall default in the observance or performance of any of the Licensee's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Licensors to the Licensee.
- (b) Upon or after the occurrence of an Event of Default the Licensors may elect to terminate this Agreement without limiting its other remedies.
- (c) If the Licensors shall default in the observance or performance of any of the Licensors' other obligations under this Agreement and such default shall continue for more than fifteen (15) Business Days after written notification of such default by the Licensee to the Licensors, the Licensee may terminate this Agreement without limiting its other remedies.

19. **RELOCATION AND RESTORATION OBLIGATIONS**

- (a) The Licensors may at any time, require the Licensee, to relocate within the Buildings any and all of the Licensee's Equipment, and the Deemed Areas. Upon receipt of not less than ninety (90) days advance written notice from the Licensors, (a "Relocation Notice") the Licensee shall relocate the Licensee's Equipment and the Deemed Areas. If the Relocation Notice requires the relocation to occur within the first two (2) years of the Term, the Licensors will be solely responsible for the direct, reasonable, out of pocket expenses of the relocation (the "Relocation Costs"). If the Relocation Notice requires the relocation to occur after that two (2) year period, the Relocation Costs will be shared equally between the Licensors and the Licensee unless the relocation is primarily to accommodate another supplier of services that compete with Services in which case the Licensors will be solely responsible for the Relocation Costs. The Licensors shall permit the Licensee to effect any relocation using a procedure that will ensure that the relocated equipment is operational for service prior to discontinuing service from the previous service location. If a Relocation Notice is delivered, the Licensee, will, within fifteen (15) days after its receipt deliver written notice to the Licensors setting out particulars of its estimate of the Relocation Costs and, the Licensors will be entitled to rely upon that estimate in proceeding with the relocation. The Licensors may at any time within fifteen (15) days after receipt of the Licensee's estimate of the Relocation Costs rescind its Relocation Notice by giving written notice to the Licensee to that effect.
- (b)

At the expiration or earlier termination of this Agreement the Licensee shall, at the Licensee's sole cost and expense, without liens, remove the Entrance Cables; all other items of the Licensee's Equipment (except Insider Wire and any other parts of the Licensee's Equipment that by agreement between the Licensee and the Licensors has been acquired by the Licensors) and all of the Licensee's personal property from the Buildings. This obligation to remove the Entrance Cable, and other items of the Licensee's Equipment is subject to any CRTC – mandated obligations on the Licensee to provide service to other telecommunication service

providers. If any property that is required to be removed is not so removed within ninety (90) Business Days after the termination, the property may, at the Licensor's sole option, (i) be removed and disposed of by the Licensor at the Licensee's expense (and the Licensee will pay an administration fee equal to fifteen percent (15%) of the expense), or (ii) become the property of the Licensor without compensation to the Licensee in either of those events. As of the date of such removal, neither party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination or arise by reason of the Licensee's Equipment and other equipment or property removal, which claims or obligations shall survive such termination. The Licensee further covenants, at its sole cost and expense, to repair or refinish all damage caused by the operation or removal of the Licensee's Equipment as soon as possible but not more than forty-eight (48) hours after the damage is caused or such other period as is reasonably required to repair or refinish the damage provided that the Licensee commences to repair expeditiously and diligently proceeds with such repair or refinishing. If the Licensee fails to repair or refinish any such damage, the Licensor may, in its sole discretion, repair or refinish such damage and the Licensee shall reimburse the Licensor of all costs and expenses incurred in such repair or refinishing and will pay to the Licensor an administration fee equal to fifteen percent (15%) of the cost. The Licensee will provide to the Licensor upon completion of the removal of the Licensee's Equipment a written certification signed by a responsible executive of the Licensee confirming completion of the removal in accordance with this Agreement except for removals of Licensee's Equipment as contemplated in (i) or (ii) above where Licensee has not removed Equipment.

- (c) If due to CRTC mandated obligations upon the Licensee to provide services to other telecommunications service providers, the Licensee is not required by Section 19 (b) to remove the Entrance Cable or other items of the Licensee's Equipment ("Exempted Items") then despite the expiration or termination of the Term of this License, all of the obligations of the Licensee under this Agreement will continue in full force and effect. That situation will continue (subject to the sentence following this one) until the Licensee's CRTC mandated obligations end and the Licensee removes the Exempted Items and restores damage as provided in Section 19 (b). So long as, and to the extent a third party assumes responsibility and control of the Exempted Items, and the third party is bound by a telecommunications access agreement with the Licensor, or a successor of the Licensor, the Licensee will be exempted from the obligation to remove the Exempted Items.

20.

LICENSOR'S ALTERATIONS

- (a) Despite anything else in this Agreement, the Licensor may, at any time:
 - (i) make any changes in, additions to or relocations of any part of the Buildings;

- (ii) grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Buildings;
- (iii) close all or any part of the Buildings or the Lands to such extent as the Licensor considers necessary to prevent the accrual of any rights in them to any persons; and,
- (iv) make changes or additions to the pipes, ducts, utilities and any other building services in the Buildings (including areas used or occupied by the Licensee) which serve any part of the Buildings provided that the Licensee is not prevented from exercising its rights under this Agreement.
- (v) No claim for compensation shall be made by the Licensee by reason of any inconvenience, nuisance or discomfort arising from work done by the Licensor but the work will be done as expeditiously as is reasonably possible.

Notices given by electronic means will not be considered to have been given in writing.

22. LICENSEE'S EQUIPMENT TO REMAIN PERSONAL PROPERTY

The relationship between the Licensor and the Licensee shall not be deemed to be a "landlord-tenant" relationship and the Licensee shall not be entitled to avail itself of any rights afforded to tenants at law.

24. LIMITATION OF LIABILITY

- (a) The obligations of the Licensor under this Agreement shall no longer be binding upon the Licensor if the Licensor or Owner(s) sells, assigns or otherwise transfers its interest in the Buildings or the Lands as owner or lessor (or upon any subsequent

licensor or owner after the sale, assignment or transfer by such subsequent licensor). If there is such a sale, assignment or transfer, the Licensor will notify the Licensee in writing and the Licensor's obligations shall be binding upon the grantee, assignee or other transferee of the interest, and any such grantee, assignee or transferee, by accepting such interest, shall be deemed to have assumed those obligations. A lease of the entire Buildings or the entire Lands shall be deemed a transfer within the meaning of this Section. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.

- (b) If there is such a sale, assignment or transfer, the Licensor shall use commercially reasonable efforts to cause such successor in interest to execute and deliver to the Licensee an agreement (the "Assumption Agreement") whereby the transferee agrees to assume and be bound by all the rights and obligations of the Licensor asset out herein.

25.

In addition to the other termination rights provided to it in this Agreement, either party may elect to terminate this Agreement in each of the following circumstances, subject to giving at least thirty (30) days' prior written notice to the other party:

- (a) where the Deemed Areas or the Communications Spaces become damaged and, it is not feasible to restore them within ninety (90) days after the damage;
- (b) where the Lands are expropriated by a lawful authority;
- (c) where the Licensor has *bona fide* plans to redevelop, or otherwise alter the Building or the Lands in such a manner as to make the relocation of any part of the Deemed Areas or the Licensee's Equipment not feasible, in the Licensor's reasonable opinion, subject however to the following restrictions:
 - (i) no termination by the Licensor will be effective in respect of the remainder of the Building that is not being redeveloped or altered (the "Remainder of the Building") if it is feasible to relocate the Deemed Area or the Licensee's Equipment so as to enable service to be provided to occupants in the Remainder of the Building; and
 - (ii) no termination will be effective in respect of a part of the Building that is redeveloped or altered until ninety-five percent (95%) of the occupants of that part of the Building have vacated the space occupied by them.

provisioning of Licensee Services or any other matters required by the Licensee to provide Licensee Services.

In the event this Agreement is terminated under this Section, the Licensor will return the prepaid Fees for the remainder of the year.

26. ESTOPPEL CERTIFICATES

The Licensee will provide to the Licensor from time to time, within fifteen (15) Business Days of the Licensor's written request in each case, at no cost to the Licensor, a statement duly executed by the Licensee confirming that this Agreement is in good standing confirming, the Fees payable and the Fees actually paid to any date specified by the Licensor for the statement confirming the Commencement Date, the Term, any Renewal Term to which it claims to be entitled, and any other information that the Licensor reasonably requests pertaining to this Agreement or Buildings.

This Agreement shall not be modified or amended except in writing signed by authorized representatives of the parties.

30. LICENSEE'S REPRESENTATION

The Licensee represents to the Licensor and acknowledges that the Licensor relies upon this representation and would not have entered into this Agreement but for that representation, that, the construction, design and operation of the Licensee's Equipment includes back-up, redundant features so that the risk of damage, malfunction or disruption of the Licensee's Equipment disrupting service to customers or other third parties utilizing that network and equipment is minimized.

31. FORCE MAJEURE

Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be

appropriate under the circumstances. For the purpose of this Agreement, force majeure shall include, but is not limited to: any acts of God, war, natural calamities, strikes, lockouts or other labour stoppages or disturbances, civil commotion or disruptions, riots, epidemics, acts of government or any competent authority having jurisdiction, or any other legitimate cause or event beyond the reasonable control of such party, and which, by the exercise of due diligence, such party could not have prevented, but lack of funds on the part of such party shall not be deemed to be a force majeure.

32. IMPLIED WAIVERS

A waiver by the Licensor or the Licensee of any breach of the terms, covenants and conditions of this Agreement shall not be deemed to be a waiver of the term, covenant or condition or of any subsequent breach of it or any other term, covenant or condition. No term, covenant or condition of this Agreement is deemed to have been waived unless the waiver is in writing and signed by the Licensor or the Licensee, as the case may be.
