(hereinafter referred to as "THE LICENSOR")

OF THE FIRST PART

AND: GT GROUPTELECOM NETWORKS INC.
1000-701 West Georgia Street
P.O. Box 10143, Pacific Centre
Vancouver, B.C.
V7Y 1C6

(hereinafter referred to as "GTN")

OF THE SECOND PART

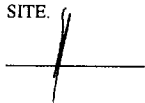

WHEREAS:

- A. THE LICENSOR has agreed to license certain space to GT Group Telecom Networks Inc., its successors and assigns to install, operate and maintain communications equipment, cabling, connections and associated hardware in or on the buildings and lands at:

999 WEST HASTINGS ST., VANCOUVER (hereinafter referred to as "THE SITE").

NOW THIS AGREEMENT WITNESSETH that in consideration of the mutual promises herein contained, the parties agree each with the other as follows:

1. THE LICENSOR hereby grants a license to GTN for certain areas in and on THE SITE designated for the purpose of installing, operating and maintaining cabling, connections and ancillary equipment (hereinafter referred to as the "EQUIPMENT") so as to provide telecommunication services.
2. On termination of this agreement, GTN will remove all EQUIPMENT and cabling installed pursuant to this agreement. GTN shall make good all damage and indemnify against all losses, costs and expenses relating to the installation, operation, or removal of such EQUIPMENT. Upon mutual agreement, THE LICENSOR will have the right to assume ownership of the EQUIPMENT and cabling, or portions thereof, without payment.
3. GTN will not at any time install additional EQUIPMENT until it has provided a detailed set of plans, and THE LICENSOR has approved those plans.
4. GTN will have free and reasonable access to THE SITE during normal business hours provided that the building manager has received prior notice thereof. After normal business hours, access to THE SITE will only be with the prior approval of THE LICENSOR, such approval not to be unreasonably withheld.
5. GTN will at all times during the term of this agreement, keep the EQUIPMENT in good repair and will comply with all relevant laws and will, at their cost, ensure that at no time does the EQUIPMENT or the operation and location of the EQUIPMENT prohibit the normal operations or renovations of THE SITE.

6. Should interference develop at any time between the installations of other users of THE SITE and those of GTN, GTN shall promptly agree to cooperate in determining the cause of such interference and shall take immediate steps to resolve the interference at its own expense should GTN be at fault and without prior rights.
7. GTN will maintain liability insurance on terms and in amounts sufficient to insure against, and save harmless THE LICENSOR from, any claims for damages due to damage to property or injury to persons (including death) arising out of the installation, maintenance and operation of the EQUIPMENT. Upon request, GTN will provide THE LICENSOR with proof of such insurance.
8. GTN will pay all costs, taxes and other levies related to the installation, maintenance, operation and relocation of the EQUIPMENT.
9. Each of the parties hereto acknowledge and agree that this agreement constitutes the giving of a license and does not constitute or contain any lease of property.
10. This Agreement enures to the benefit of and is binding on the parties to the Agreement and their respective heirs, executors, administrators and permitted assigns.
11. In the event of any breach of this Agreement the party not in breach shall give the party in breach written notice both describing the breach and setting a reasonable time within which it must be cured. If a resolution is not achieved within thirty days from the receipt of the written notice, then a party may move for mandatory, binding arbitration pursuant to the Commercial Arbitration Act of B.C.

IN WITNESS WHEREOF the parties hereto have executed this agreement as of the day, month and year first above written.
